Berlin, Dec. 21,-(Special.)-Berlin O. H. A, senior champions defeated the Mariboros of Toronto, ex-O. H. A. champions, in a tast exhibition game here this evening, by 6 goals to 2, on fair ice. Both teams showed wonderful form for this early stage of the season altho the local team had the puck in the Dukes' territory for the greater portion of the contest. Tyner in goal splendld shape last night, was the shining star of the evening, his marvelous and effective work in goal preventing a much bigger score. Captain Birmingham also did spiendid work and scored both goals for his team, one in each half for Berlin, E. Gross, Schmidt, Knell and Cochrane showed old-time form. Two recruits, Ellis in goal and Dumart at right wing, will both make good. McGinnis, last year's forward, took Charlton's place, and the latter was not missed. The score at half-time was 1—I, but in the second half four were added by the Dutchmen before the Dukes got a look-in. Ed. Wettlaufer was a satisfactory referee and kept the players in the game. Seven players were penalized. The teams were:
