INCREASE IN FOREIGN TRADE.

The Customs House Returns for July Show an Increase of

\$66,000 Over Last Year. I.arge increases are shown in both imports of goods free of duty and exports from Toronto last month, as compared with July, 1898. During July, 1898, the value of goods imported free of duty amounted to \$628,760, while similar imports during July, 1899, totalled \$818,947, ande up as follows: Produce of the mine,

Paying Monthly Dividends of 1-4 of one cent per share. EQUALLING 15 PER CENT. PER ANNUM.

PRICE - - 20 cents per share.

The property owned by the Bonanza Mining Company contains fifty acres, which has been patented, and is situated three and a half miles east of the town of Bossburg and about 16 miles south of Northport, where the Le Roi Mining Co. has its extensive smelting plant DEVELOPMENT—The mine has been opened up by an incline shaft which has reached the depth of about 450 feet, containing six levels on which about 1500 feet of drifting has been done. VEIN MATTER. The vein varies in width from four to twenty-two feet, all of which is clean shipping

ore, carrying silver, lead and iron. ORE VALUES AND SHIPMENTS-The ore of the Bonanza Mine steadily maintains gross values averaging from \$25 to \$30 per ton. There will be shipped daily a carload of 30 tons, and it is ore that finds a ready market because of its value to the smelting companies as a flux for other ores.

MPROVEMENTS_The buildings on the property are: Power house, shaft house, ore houses, blacksmith and machine shops, boarding house, bunk house, foreman's house and office. MACHINERY—The machinery used is a 60 h.p. boiler and hoisting plant, both nearly new. DIVIDENDS—The Bonanza Mine has for some time past yielded regular monthly dividends, and we

are assured that they will continue at the rate of at least one-fourth of one per cent. per share THE NEXT DIVIDEND will be paid on August 22nd to shareholders. To shareholders of record on

The original smelter returns from 78 carloads of ore recently shipped, a plan of the workings of the mine, the reports there on and photographs of the working plant are all open to inspection by intending investors at our offices.
