ONE MAN from whom I was purchasing a car, on one of the very busy days of this week, was obliged to spend considerable time around my place before I could get time to do business with him. When I did get a chance to talk to him, I asked the question, "What do you think of the rush and hum around this place?" His answer was, "It is as good as a show." To sell more than 25 (twenty-five) cars in a week meases "some work," buying, cleaning up, painting, demonstrating, testing, etc., etc., to say nothing about showing the many different cars to numerous people who drop in with the intention of buying at a later date. Of course, everybody is welcome to look over my stock, and if you have a few minutes to spare, drop around. Breakey's Used Car Markets, 402 Yonge, 44 Carlton.
