HAD BOILS For Six Months B. B. DROVE THEM AWAY When the blood becomes impure the very first symptoms which manifest themselves are a breaking out of various forms of skin trouble such as boils, pimples, sores, etc., to get rid of these troubles you must cleanse the blood thoroughly with a good blood remedy. The best blood cleansing remedy on the market today is Burdock Blood Bitters. Thousands of people from one end of Canada to the other have used it during the past forty years, and have nothing but words of praise for its cleansing properties. Mrs. Rufus Beers, Upper Main River, N.B., writes: "I want to say a few words about your medicine, Burdock Blood Bitters. I had boils for over six months and sometimes was so bad I could not work. I tried lots of cures but nothing would drive them away for good until I took B.B.B. In a short time I was all better. It is a dandy medicine. Keep it in the house all the time." Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont., but so well and favorably is it known that there are many imitations on the market.
