Creating A Panic!

Every Price

HERE

A MONEY SAVER

This is the last call. We're through — finished — done. The management has decided to sell out every item at terribly mutilated prices. This is final. The stock must be moved. To move it we require the attention of the public for the next big week of bargains. These prices prove us to be doing our share; you do yours. Come early and be prepared. We are creating a panic among profiteers.
