FIRE ALARM

The fire department was summoned by a call from box 17, Eden street, at 8:30 o'clock this morning to extinguish a fire in some rubbish. The blaze was extinguished quite easily.

TENTH TRIP THIS YEAR.

Lieut.-Col. W. C. Good left last night for Halifax to take charge of the conducting staff of the hospital ship *Araya*, which is sailing for Liverpool. This will be Colonel Good's tenth trip across the Atlantic since February.

ACTING CITY SOLICITOR.

During the absence from the city of Dr. J. B. M. Baxter, who is leaving to attend the barristers' meetings in Winnipeg and to take a trip to the coast, Dr. J. Roy Campbell, K. C., will act as city solicitor.

HERE TONIGHT.

Charles Robinson, secretary of the Returned Soldiers' Aid Commission, is expected to arrive in St. John tonight, consisting of the C. A. M. C. staff ex S. S. Araya, left there in eleven o'clock today and will arrive in St. John on the Boston train tonight. They are in charge of Captain Johnson.

DISPOSAL OF BLEACHERS.

The fate of the stand erected at Reed's Point for the children who sang for the Prince of Wales probably will be settled at the weekly meeting of the common council this afternoon. As applications have been received from both the West End and East End Improvement leagues, it is probable that each association will be given a section of the stands and will be permitted to remove and re-erect them as they wish.

MANAGING MONTREAL OFFICE.

W. Bois Smith, formerly of this city, who was in St. John for the week-end, has been receiving congratulations on an important promotion. Mr. Smith was manager here for the Burroughs Adding Machine Company until last year when he was transferred to Hamilton to take charge of the branch there. He now has been given the management of the western Quebec agency with headquarters in Montreal, the company's largest agency in the dominion. While in the city he was the guest of his mother, Mrs. I. E. Smith of West St. John.

BASEBALL

The Thistles, of St. Peter's Y. M. C. league, played a tie game with the Milford Creams at Firemen's Park last evening, 8 to 8. The game went seven innings and was well contested. O'Connor was on the mound for the Thistles and Corbett for the Milford Creams. These two teams will play again Thursday evening. The Thistles challenge the Wolves to a game to be played on the Elm street diamond any night next week. They desire an answer published in this paper.

WEEKLY COUNCIL MEETING

As there was no meeting of the common council committee last Thursday, on account of the holiday, and little business transacted at the meeting yesterday, it was expected this morning that there would not be much of a session. Attention at the weekly meeting this afternoon. Commissioner Thornton is out of the city, having left yesterday for Amherst to attend the K. of P. Grand Lodge meetings, but the remaining members constitute a quorum for any matters which require action.

LOCAL HOUSING PROBLEMS

Not a single application for aid in erecting semi-detached dwellings under the housing act has been received at city hall. A few applications specify self-contained houses, but the majority of those who wish to take advantage of the government loan wish to build two-flat houses, and assistance for this type of dwelling is not permitted under the act.

The intention of the regulations provided was that the erection of the more home-like type of self-contained or semi-detached dwellings should be encouraged. This is the ideal type of home, but, unfortunately, it does not fit local conditions in St. John, where the scarcity and high price of building lots and the great cost of building operations make most would-be builders favor the two-family house arranged in flats.

PRINCE'S FAREWELL

MESSAGE TO HALIFAX
AND NOVA SCOTIA

Halifax, Aug. 19.—The following radio message from the Prince of Wales was received early this morning:

"H. M. S. Renown, Aug. 18, 1919, via Camperdown, N. S."

"His Honor the Lieut.-Governor, Halifax, N. S."

"I cannot leave Halifax harbor tonight without telling you again how deeply I was touched by the welcome given me everywhere today. Please wish the people of Nova Scotia and citizens of Halifax farewell on my behalf and express to them my great appreciation of their wonderful demonstration of loyalty. I wish again to congratulate the veterans, cadet band and boy scouts on their splendid parade held in my honor."

YOUNG WOMAN IS FOUND DEAD UNDER PROVINCE BRIDGE

Agnes Montgomery's Face Bruised and Lips Apparently Burned—Inquest at Woodstock

Woodstock, N. B., Aug. 19.—A young woman named Agnes Montgomery was found in the hole below the Metemascog bridge this morning. From appearances she had been dead for some hours. Her face was bruised and her lips looked as if burned by some liquid. It is thought to be a case of suicide but this will not be determined until an inquest is held this evening.

There are many rumors concerning the unfortunate woman and the case has aspects that make a thorough investigation necessary.

TRAFFIC CASES BRING COURT COMMENT AND A BIT OF FUN

Four charges of violations of traffic by-laws were dealt with by Magistrate Ritchie in the police court this morning. The explanation offered by one of those reported was accepted and he was dismissed while in the other three cases fines of \$10 each were allowed to stand. Dr. William Donnelly was charged with driving his car in Charlotte street with the head and tail lights out. His explanation was accepted. Ernest Lord was fined \$10 for exceeding the speed limit at the corner of Main and Mill street on the 14th inst. and Edgar Bassett replied to a report made against Rachel Kindred for a like offence in the same place on the 18th, saying that he was the driver of the car at that time. He denied the charge. Policeman Hogg gave evidence in both cases. The fines were allowed to stand.

Arthur Starnes was charged with driving his car with one of the license tags missing. He said he had applied to Frederick four days ago for another. His excuse was accepted and a fine of \$10 was allowed to stand against him.

Fire Escape Case

Postmaster Sears was in court to answer a charge made by Building Inspector Gaudet of having no fire escape on the Sears building in King street used by the Y. W. C. A., which it is contended comes under the regulations of a fire escape. The case was set over until Wednesday at ten o'clock, pending the appearance of the matron, Allan LeBlanc, who is representing Mr. Sears in the case. He entered a plea of not guilty and intimated that the defence would be along the lines of proving that the building was a fire escape.

While the traffic cases were being heard, Magistrate Ritchie asked if Judge House was in court. No reply being heard, the magistrate said that Judge House, who is in charge of the traffic court in Manhattanville, New York, receives \$7,000 a year for handling traffic cases only, and is asking for more money, while he himself was doing traffic and everything else here for \$8,000 a year.

Policeman Henderson added a humorous touch to the session this morning. One of the men who was charged with speeding after having his case heard, put in a good case for his defense and the magistrate remarked, indicating several local laws, that the man was a "You must have been talking the matter over with some of these legal lights here."

"He is not the man, Your Honor," the clerk replied, "who is here in the matter of legal lights."

OUT AGAIN; IN AGAIN

George White, who has established a reputation in the police court for frequent appearances, was again in the toils this morning on a charge of being drunk in the Union depot and was sentenced to a fine of \$50 or three months in jail and six months in jail without the option of a fine. He gained his freedom only yesterday on condition that he go to Moncton to work. Policeman Pierce of the C. N. R. staff said that the defendant was making himself objectionable in the station last evening and interfering with the passengers. He was put out once but returned and it was said when arrested he threatened to beat the policeman. According to the records White has been arrested nine times since May 1.

Thomas Ramsay, against whom a warrant was out, charging him with selling liquor illegally on Aug. 12, went to the police court and gave himself up this morning. He was accompanied by his solicitor, W. M. Ryan, who put up a deposit of \$200 for his appearance in court at 10 o'clock on Friday morning.

A case against Patrick Duffy was set over for another week. He is charged with assaulting Evelyn Lobb and it was reported that Mrs. Lobb was called on by a policeman yesterday to summon her to court this morning and it was found that she had left the city with the harvesters' excursion. Edmund S. Ritchie is appearing for the defendant.

Henry Garnett gave evidence in a case against Thomas A. Nixon, charged with threatening to cut William Garnett on Saturday night. The witness substantiated the evidence given by his brother yesterday. Mrs. Nixon, the defendant's wife, said that her husband was suffering from shell shock and had to be watched closely; when he took spells the assistance of neighbors was necessary to control him. He was remanded and examination by a doctor ordered.

BURGULAR VISIT PREMISES OF LIQUOR VENDORS.

Bathurst Northern Light: The store of S. P. Vienneau, liquor vendor, was broken into last Thursday night and a considerable quantity of liquor stolen. Evidence pointed to the guilt of two youths has been secured by Inspector Gammon, who has warrants for their arrest but their present whereabouts is unknown. The liquor is supposed to have been disposed of locally, before the young burglars departed for other parts, but its exact destination has not yet been located.
