Many of his remedies, as the public have already learned from newspapers of the day, are prepared from ingredients which are believed to have originally been received from the Indians one hundred and seventy five years ago. No other remedies deserve the name of Indian.

# LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the Weak, the Nervous, the Delicate, and the Irritable, of all climates, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race, have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY, ILL HEALTH.

Many of the most despotie Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses.—Learned Colleges admit that this medicine is the best remedy ever known for persons in delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly course at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:—

# A MARVELLOUS REMEDY FOR A MARVELLOUS AGE.

# Holloway's Ointment.

GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see a mass of little openings on the surface of our bodies. Through these, this Ointment, when rubbed on the skin, is carried to and organ or inward part. Diseases of the Kidneys, Disorders of the Liver, Affection of the Heart, Inflammation of the Lungs, Asthma, Coughs, and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat, of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the human body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM, AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, as this Ointment. It is the Ointment for Scoury, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals dispensing this Ointment, giving advice as to its application, and has thus been the means of curing thousands of patients.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most successful surgeons now rely solely on the use of this wonderful Ointment, when having to do with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment, to be used in the most cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years standing.

PILES AND FISTULAS.

These and other similar distressing complaints, can be effectually cured by the Ointment, well applied in the manner directed, and by otherwise following the printed directions around each box. Both the Ointment and Pills should be used in the following cases:—
