PROSPECTS IN COWICHAN.

From all sources of information to which we have any access respecting the approaching election in Cowichan, we are led to believe that the current of public opinion is setting strongly in favor. of Mr. C. B. Sword. The meetings so far held in the district have been very watisfactory to the friends of the government, who have been much pleased are by no means impervious to sound argument or reasonable statements. Throughout the district the matter has resolved itself pretty much into these sonsiderations:
