

Two extra premiums

WERE FOUNDED FOR GOOD DEPARTMENT.

The first one, valued at \$100.00, consists of one year's board and tuition at the College free, and is drawn at the end of the second scholastic term by those boarders who obtain an excellent note of conduct during the entire scholastic year.

The second one, valued at \$30.00, consists of one year's tuition free, and is drawn by those boarders and half-boarders whose conduct was excellent during the whole scholastic year.

Besides these two extra premiums, a first prize is awarded to each boarder, half-boarder and quarter-boarder whose conduct was excellent during the entire scholastic year, and a second one to each whose department was excellent during nine months.

Course of Study

Classical, Commercial and Preparatory.

Classical Course.

This course, principally imparted in French, comprises six years of study. Latin, Greek, French, English, History, High Mathematics, Literature, Rhetoric, Sciences, Philosophy, etc., are taught; all that is requisite to prepare young men for any profession, religious, ecclesiastical or liberal.

Bourget College has been affiliated to Laval University, Quebec, since 1884.

French and English Preparatory Course.

This course consists of three year's study and embraces the teaching of the English and French Grammars, Geography, History, Arithmetic, Reading, Penmanship, Drawing, etc.

The object of this course is to prepare boys for the "Classical Course" or the "Complete English Commercial Course."

Complete English Commercial Course.

(SOLELY TAUGHT IN ENGLISH).

The branches included in the "Complete English Commercial Course" (which is solely taught in the English language) are those which embrace a complete English education, which is necessary to prepare young men to occupy with honor, to their own advantage, the various positions upon
