taking his lancet case from his pocket, the doctor, a semi-consciousness of his truth.

"Good God! Are you Fred Randall?" taking his lancet case from his pocket, held one of the highly polished instruments in front of the parted lips; but on inspecting it no sign of human breath had dalled the lustrons steel.

Dead—he must be dead! The body spread out before him showed every sign of having succumbed to death—and of the many steel that the specific property is pread out before him showed every sign of having succumbed to death—and only in the specific property is pread out before him showed every sign of having succumbed to death—and only in the specific property is pread out before him showed every sign of having succumbed to death—and only in the specific property is property in grand on the prisoner, bitterly. "Russell, the convict forger, is Fred Randall, late a captain in the army, and nephew and heir to Sir Compton Randall, barronet."

"And do none of your friends know of the plight in which you are?"

"And do none of your friends know of the plight in which you are?"

"Not a single one, I am happy to plice the doctor, a semi-consciousness of his position seemed to break upon him.

Heglanced round the walls, and a visible shudder passed through his frame.

Not one of these movements was lost upon Walter King. He leaned forward, placed his arm under the man's head, and looking into his eyes, seemed to invite him to specify the doctor, a semi-consciousness of his with will be sold low for cash.

Orders Solicited and Promptly Shipped.

"Yes, sir," exclaimed the prisoner, bitterly. "Russell, the convict forger, is Fred Randall."

"Yes, sir," exclaimed the prisoner, bitterly. "Russell, the convict forger, is Fred Randall."

"Yes, sir," exclaimed the prisoner, bitterly. "Russell, the convict forger, is Fred Randall."

"Yes, sir," exclaimed the prisoner, bitterly. "And a captain in the army, and nephew and heir to Sir Compton Randall, bare a captain in the army, and nephew and heir to Sir Compton Randall, bare a captain in the army, and nephew and heir to Sir Compton Randall, bare a captain in the army, and nephew and heir to Sir Co

intelligent enough, and Walter King glaring eagerly at him. "You are rising to his feet, left the room. "That's my name."

> man tolhimself; "I could not make it at the escape of criminals? Now, sir, I "As a right!" cried Walter King, in nent. "And by what right,

"That's what it was," muttered the

"A life for a life," said the man, bringing his hand down with force upon the bed. "Is your memory good Walter Thames, just above the weir at Penton boys, who have come up there from Laleham grammar school to bathe. The older and bolder swim merrily out into arm, took the fingers between his own and examined them closely.

"As I thought," he said; "hand as oldgovernor's best liqueur brandy would passed across the the river twice, and passed across the the river twice, and

tell easily enough that these fingers have not half done yet."

However, my work is sence of mind, he splashes and fights with the water, instead of striking out with the water, instead of striking out never done any useful work, and that As he spoke, he stripped off his coat, with the water, instead of striking out with deliberate skill. Some of his comthis pink, soft palm—how much of the and kneeling upon the bed, and passing rades see him and ra'se the alarm. The young lad who has finished his bathing man die, I wonder Macpherson omit-rubbing the chest, and all the region and is dressing himself on the bank hears it. Without stopping to take off Heavens, what can be the matter with Under the friction, the chill rigidity his clothes, he plunges in; a few rapid me to-night? Am I losing my senses?" of the flesh gradually gave way, and in strokes take him to the spot, and then Inobedience to a professional impulse, and without giving it a thought, Walter warmth diffused itself throughout the older and heavier than he, and seizes him

"Not a single one, I am happy to y. Directly I found things going to say. Directly I found things going we the bad, I changed my name, and gave the bad gone to Australia. I should out I had gone to Australia. I should have gone, if that infernal bill on which I had written the wrong name, had not turned up in the very nick of time, and got me arrested. However, let us be practical, and talk about the present. I saved your life once, King, and you must save mine now. You must get

me out of this at once.' "But how?" said Walter; "how is it to be done? I allow my indebtedness to But Walter King had heard and felt "and I, as I tell you, am the regular mough to nerve him to immediate action. He sprung quickly to his feet "And you are going to remain here nuttering to himself."

"It will not be very difficult," said Randall, after a few minutes' consideration; "the people here believe me to be dead, do they not?

"Well!" "UNITED TO NOTE OF THE OF T

"Well?"
"Mine is a curious case, in which "Certainly, it is my place, I tell you." you have taken a great interest; you The man gazed at him for a moment wish to investigate it further, to ascerthat wondrous disease of which I have heard so much, but of which I never saw an example. Now, then, to prove whether the experiences which I have read were triumphs of science or mere lying legends served up for the gratification of the credulous!"

As he spoke he picked up the lamp from the floor, and was hurrying to accomplish for you. Dovou know that the credulous to the shows, in the shows to his house, just outside the prison spates. You see the idea!"

"what am I about to do? This poor worse fate even than death itself—that phasis: "I have a hold over him, which

were to recover it, must for some time henceforth mean noting but the corridors of this jail, or the stone quarries of Portland! Better let him ebb away, and—no, by Jove, I will try for it."

The prospect of a gladiatorial contest with the Destroying Angel, whose sworn with the Destroying A muttering, "'Tis a hard fate, indeed!"
Instantly the man raised his head and looked the doctor full in the face.
"'Do you think so?" he said. "If so worth of your name and position in the

world. "I, how could I release you, even if "I swear," said Randall, solemnly. "Mind," said the doctor; "if you break this oath and return to vice, so "Easily enough. If you had only sure as I am a living man, I will revenge

out stiffly over the sheet.

The doctor placed the lamp on the table, and at once commenced getting the galvanic apparatus into working order.

"It scarcely has sufficient power, this battery," he muttered to himself; "but one must make the best of what in the contracting brows appeared immediately above them on his forehead three plainly defined parallel bars of red. Where, and on whom, had walter King seen these marks before? The action of the hand, too, as though tossing something lightly away from the sideportal of the prison bearing between them a hand litter, on which lay a muffled, shapeless burden. With this they crossed the road, and as they approached Dr. Phillimore's residence with Walter King walking by tossing something lightly away from

CONSIDERABLE outlay has been made on this House to make it a first-class Hotel, and travelers will find it a desirable temporary residence, both as regards location and confort. It is situated with two minutes walk of Steamboats Landing, and opposite Telegraph and Fost Offices. The Froprietor returns thanks to the Public for the encouragement given him in the past, and will endeavor, by ceurteey and attention, to merit the same in the future. GOOD STABLING ON THE PREMISES
