BOIESTOWN, Northumberland Co., April 20.—Gold mining areas are ing rapidly taken up by our citizens. The areas on Stewart Brook are now being surveyed. This gold region is in the same range as he celebrated Stanley fields. Some very fine specimens from Stewart Brook have been shown recently.

H. A. Kendall, grocer, has moved into more commodious quarters in the store formerly occupied by the Whalen variety store.

Numerous men are eagerly awaiting the commencement of stream driving. Wages promise to be only fair,

as men are very plenty. John Harris, son of the original gold prospector at Stanley, has in his possession some excellent specimens of gold-bearting quartz, obtained at that place. The specimens are certainly genuine, and with the arrival of spring great operations will be begun. Councillor W. A. Campbell and Wm. McMillan of this place, are interested quite largely in the Stanley dis-

HOPEWELL CAPE, Albert Co. April 21.—Herbert V. Alward has resigned charge of the advanced department of our schools to take a position in the Bank of Nova Scotia at Sussex. Mr. Alward during his stay here has won the universal esteem of the citizens, whose best wishes followed him to his new and advanced position. J. C. Rayworth of Upper Sackville has taken Mr. Alward's place in the school here.

'Arrangements are being made by a Moncton company to place a steamer of considerable dimensions on the river here. She will run one trip per week between St. John and Albert and the rest of the time between Moncton and the Cape.

Captain James Steeves has moved his family from Lower Cape to the shiretown. They occupy the cottage of John Elliott

MEDUCTIC, York Co., April 21.—Last year the last crossing on the ice was April 2th, this year on April 18th. Last year the ice started out on the 11th, this year on the 19th. The ice has been running ireely for three days. What is known as the Madawaska ice, which comes over Graud Falls, is not due, for nearly a week; then comes navigation.

tion.

The house occupied by W. E. Dickinson caught on fire from a defective fine, and the fire soon spread to the adjoining blacksmith shop, then to the old carpenter shop. Ready workers and willing hands kept it from spreading further. Less about \$500 The property was owned in Fredericton. Insurging turknown.

spreading further. Loss about \$500 The property was owned in Fredericton. Insurance unknown.

Emmerson Dickinson has joined the exodus, and he went quick when he did go. Also Mrs. Best and Miss Effic Porte. A. J. Best, our village tailor, followed his wife in twenty four hours.

The store of the estate of I. W. Marsten is being thoroughly ienovatyd, and when completed the inside will present a much more attractive aspect.

Chip Phillips is building a new ferry for use at the wire ferry here. It will be two weeks before it can be used.

A number of men frem here have gone to the New England Stafes for stream driving. CODY'S, Quens Co., April 24.—Horton B. Hetherington of Jenkins arrived home on Thursday last from St. John, where he has been for the last few weeks.

No services have been held in the Bactist reesting, house at Thornetown for the tast few weeks, owing to the absence of the paster, E. K. Ganong, through sickness.

The Presbyterians of this section have engaged Mr. Campbell for one year, to take the place of J. A. McLean, who resigned seme time ago. The Rev. Mr. C. held his first-service in the public hall at Cody's, tonight.

McADAM JUNCTION, April 24.—William

McADAM JUNCTION, April 24.—William Hallam, who has completed his second year's college work at Dalhousis, came home on

Hallam, who has completed his second year's college work at Dalhousis, came home in Wednesday.

William Segee's many friends will be sorry to hear, that he is confined to his room owing to an attack of paralysis, which rendered his left side powerless.

A quiet wedding ceremony was performed in the chapel here by Father McAuicy at two o'clock on Sunday afternoon. James McGowan was united to Miss Kate Hogan. Many of their friends were present to witness the tying of the nuptial knot. They were supported by C. Campbell and Miss M. Grass.

Mr. Weeks and daughter arrived nome on Wednesday after an absence of nearly two months, visiting friends in Ontario. Mr. Weeks is much improved in health and will go to work again on Monday.

Mrs. Hall, wife of G. Hall, foreman of the machine shops, came to McAdam last week. She is opening classes in vocal and instrumental music, having rented a room from S. Scott for that purpose.

Some setzures made by the customs officers were sold on Saturday. Two horses, a pung and a set of hances found ready hyrchasers.

BAIE VERTE, Westmorland Co. Asril 24.

a pung and a set of hainess found ready hurchasers.

BAIE VERTE, Westmorland Co., Agril 24.

The ite left the bay on Saturday last, and this morning the fishermen are tropping their nets. Two large fishery establishments will be opened here tomorrow, under the management of Mr. Rippley of Grand Manan, and a third at Northport, about tirteen miles down the bay, under the same control.

Rads and fields are drying rapidly, and in a few days the farmers will be at work preparing for seeding.

E. U. Grodwia, who has been sick for a fortnight, is rapidly improving. Cilbert Wells is in Moncton, under treatment from Dr. McCully.

Dr. Williaman Goodwin arrived a few days ago, and is kept busy at his father's residence. Wendai Goodwin of Uniacke Hill graduated M. D. last week in Halitax. Three of our boys who are at Mt. Allison will graduate B. A. at the closing of this term. A number of other students of Mt. Allison reside here, all of whom are doing guod work.

The Methodists have been holding several

work.

The Methydists have been holding several socials here of late for the benefit of their minister, Rey, Mr. James, who is about to leave the circuit in July next. The amounts collected are to take the form of a donation, or according to the announcement, to supplement the salary. These socials have been well attended and are very enjoyable.

The Church of England is now completed. and will shortly be consecrated for sliving and will shortly be consecrated for sliving

and will shortly be consecrated for sivine service.

MILLSTREAM, Kings Co., April 25.—The cheese factory at Head of Millstream will commence operations on May 15th, under the same management as last year, yith J. P. Murphy as operator.

Mrs. John Parlee is prostrated with illness. Mr. and Mrs. S. D. Gaunce are receiving congratulations on the arrival of an heir.

heir.

The school in District No. 23, which was closed on account of the teacher and some of the pupils being ill, has re-opened.

Frank Miller left on Monday to join his brother in the U. S.

Mr. Graves of Canaan has moved with his family on the farm which he lately purchased from Mr. Creighton.

The sale held by S. A. Finnis last week was well attended. S. Z. Parlee was auticoneer. In the vicinity of \$400 was realized.

tioneer. In the vicinity of \$400 was realized.

Mrs. George Hayes, who has been ill for some time, is not improving as well as her friends would like.

RICHIEUCTO, April &.—The county court, Judge Wells presiding, ppened yesterday afternoon. There was no business and the court adjourned.

Charles J. Sayre, barrister, who has been confined to the house all winter through illness, is able to be out again.

Heavy freshets prevail at Kouchibouguac, north of here, but no serious damage has been done yet.

A number of sportsmen returned from the beaches yesterday with a goodly supply of wild fewi.

James Legoef, who has had charge of the buoys in the rarbor for the past three years, has been notified by the government that his contract is renewed for another term of three years.

The channel is now clear of the The Lab

three years.

The channel is now clear of ite. The lobster men are preparing for work. SUSSEX, April 26.—Edward Arnold, son of Nelson Arnold of the Willows, was married at 7 o'clock this morning Tringity church by Rev. Scovil large field of contestants is already end his family, replied briefly, thank-

Neales, rector, to Miss Jessie Gor-ham, daughter of Mrs. Elizabeth Gorham of this place. The bride and groom were attended by E. O. Mc-Intyre and Miss Kattle Morrison. In spite of the early hour the church was well filled by the friends of the young people. Immediately after the ceremony breakfast was served at the residence of the bride's mother, and the parties were then driven to the I. C. railway depot, where they took the train for Monoton, Shediac and points east to spend their honeymoon, followed by the usual showers of rice and best wishes.

ST. ANDREWS, N. B., April 25. The first practise of the season was held last evening by Fire Engine Co. Torrent, No. 1, when the engine and hose were found to be in good working order. After practise the annual meeting was held. The old officers, as follows, were re-elected: William Burton, capitain; Fred Stinson, 1st lieut.: Wm. Shaw, 2nd do.; James Stoop, secretary; William Little, en-

gineer. The funeral of the late Mrs. A. W Smith was held from her latte residenice this afternoon. The funeral ervice was held at the house and at the grave in the Rural cemetery by Rev. A. W. Mahon, pastor of the Kirk, of which she was a life long and consistent member. Capt. E. A. Smith, son; Mr. Everett, son-in-law; Mrs. Smith, Mrs. Hooper, Mrs. Everett, daughters of the deceased, were in attitendance. Miss Ottle Smith was unable to attend. A large number of friends formed the funeral cortege. The casket was covered with flow-Undertaker H. O. Rigby had ers.

Charge of the funeral

charge of the funeral.

ANDOVER, Victoria Co., April 28.—A slight fire occurred yesterday afternoon in the shed of the house niw occupied by D. k. Redell. This is the first time the fire brigade have had a chance to try their skill, and the incident showed how valuable their services will be, for their prempt action prevented a large fire.

The water in the river is now very high. The ice went out without doing any damage, except two washouts on the fiobique Valley railroad. These have been repaired and the train is now going its regular trips. Ruben Sweezy of Tilley captured alive a fox and five little ones. The young ones are growing nicely.

Rev. H. Gratz has handed in his resignation as paster of the Presbyterian church, and with his family intends to leave here next week. He and his amiable wife will be much missed.

LOWER ST. MARY'S, York Co., April 26.—Repairing on Rebitson's mill began yesterday. They are getting ready for the engineer, who is expected from St. John tomorrow. About 30 men will be employed.

Steamer Admiral made her first call this anorning.

Men are coming from different directions trying to get employment. They will be boarded in a house on the premises especially for the purpose.

In a few weeks there will be telephone communication from "The Mill" to the ommunication from "The Mill" to the cutside world.

A few miles from here, in the parish of Maugerville, boarders for the summer menths can be accommodated.

SUSSEX, April 27.—The funeral of

Margaret, wife of Edward L. Price, took place this afternoon from their residence on the new line of road. A very large concourse of relatives and friends attended to pay their last tribute of respects to one who had been a good wife, a fond mother, and much respected by her neighbors. The body was taken to St. Mark's Episcopal church at Upper Corner where the burial service was said by Rev. Mr. Slipper, rector of the Episcopal church at Waterford, and thence to the Sussex cemetery near by. The deceased lady was in the

Rev. Mr. Slipper also attended the funeral of the late Mrs. William White, which took place at Waterford on Tuesday last.

An electric alarm is being put in place near the I. C. R. with the hope that it will prevent accidents to peo-ple crossing the track, where many narrow escapes have taken place. Jesse D. Prescott, one of Sussex's largest farmers, is confined to his house by illness.

HOPEWELL HILL, April 25.-Mrs. J. B. McAlpine and family of Harvey left this week to join Mr. McAlpine who is in Vancouver.

Capt. Charles C. Robinson, who ha lately been master of the s.s. Anaces has assumed command of the new steamer Anaxo, recently built for Messrs. Soley of Liverpool. Rev. Allan W. Smithers delivered

ah able and eloquent sermon on Sunday evening in the Episcopal church on the glory of Christian England of today, and the great influence exer-cised by the established church on the moral and religious tone of the political life of the motherland. Mr. Smithers, who has had charge of the Albert mission during the past year, will remain for another year.

The primary scholars of the superor school gave a concert on Friday afternoon, which was gotten up en-tirely by their own efforts. Those present greatly enjoyed the somewhat novel entertainment.

W. J. Carnworth's steam mill was moved from Germantown today ito Chester, where Mr. Carnworth has a cut of a million feet. I'bert New comb's mill at Memel is at work on the season's sawing.

Chester Graham is recovering from a very serious illness caused by blood

The Peck firm are getting their

drive on the Sawmill creek pretty well in.

HAMPSTEAD, Queens Co., April 20.—
Asa V. Jones folk have been grappling for the body of his daughter, who was drowned last winter, but without success.

Dr. M. H. MacDonald has men at work digging a cellar for the house he intends huilding Georg: Durham has joined the str. Hampstead as fireman.

Asa Slipp planted some potatoes and peas on the 10th of this month. J. R. Worden has also got some peas planted.

The str. Hampstead made her appearance Friday night for this season.

The mail carrier, on account of bad roads, has not been able to make his regular trips this week.

ST. STEPHEN, N. B., April 28.—

The Windsor hotel bicycle meet on well in.

The Windsor hotel bicycle meet on May 24th promises to afford one of the greatest field days ever witnessed in the province. Landlord Ganong has gathered a fine lot of prizes and has arranged an elaborate programme of events. Officials for the day have been chosen as follows: J. D. Chipman, St. Stephen, announcer; Sidney Kerr (St. John), Robert Barker (Fredericton), Herace Trimble (Calais), judges; Mayor Clark of St. Stephen, referee; W. St. J. Murray, St. Stephen.

assured. The team race, in which four men from each town or district will form a team, attracts much specula tion. All communications to W. B. Ganong, Windsor hotel, St. Stephen will receive prompt attention.

Aubrey D. Johnston of St. Stephen has graduated with high honors from the New York college of pharmacy, and has secured a fine position in that city.

W. R. Carson and Chas. F. Beard have new sail boats affoat in the river and W. B. Ganong has another about ready to take the water. They are centre board boats of the twenty-foot class, drawing less than six inches, and built for speed rather than for pleasure

Ed. Ireland who drove Lansdown in his races last year, is coming to the St. Croix this summer and will probably handle Fred Waterson's

L. W. Hughes has purchased the building on Union street, occupied by Geo. F. Cox for some years. Waldron Maxwell has purchased the neat liftle cottege on Union street owned by John A. Thompson, formerly clerk with Frid Waterson Mr Thompson is now fighting Uncle Sam's battles in the Philippines, having enlisted in a California regiment.

MONCTON, N. B., April 30.- Miss Jean Bruce, daughter of J. R. Bruce I. C. R. auditor, who recently went to Tacoma to reside, has been winning golden opinions in musical circles in her new home. She took part in a recent concert by the Ladies' Musical club of that city, and the Daily Ledger in speaking of her appearance, says she is a violinist "of exceptional talent and ability." Miss Bruce's number was greeted with tremendous applause and she responded by play-

ing a set of Scotch and English airs. Fred Thibideau, who has been victimizing a number of newspapers by selling papers and pocketing the proceeds, and also soliciting subscriptions for which he had no authority has been released on account of his youth, his father agreeing to keep a

sharp lookout on him for the future. Mr. and Mrs. J. W. Y. Smith, who have been spending the winter in scuthern Europe and Egypt, are expected home about May 1st, having sailed from Liverpool on Tuesday

A movement is on foot to have steamer on the river this summer to enable daily trips between Moncton. Hillsboro and other ports.

Geo. Irving of Buctouche has taken position in the I. C. R. freight shed nere. As an illustration of the methods of grit management of the Inte colonial and the way in which it is being taken out of politics, it is related that a man with a pull, but without any particular knowledge of railway work, recently received letter from the minister asking him to go up to the yard here, look over the ground and sick out a job that could do. He went, selected his job and communicated with the minister. with the result that the general manager received an order to put him to work, though there was no call for an extra man in that particular department. Instances of this kind are coming to light alrost every day.

FREDERICTON, N. B., April 28.-Mrs. Patrick Howell of this city, died at her home last evening from typhoid fever. A husband and one daughter survive. William Roach of this city, and Michael Roach of Houlton, are brothers of deceased.

The death occurred at her home at Gibson flast evening of Mrs. Stickles. wife of Thomas Stickles of that place. She leaves a husband and two child-

It is proposed to celebrate the one

hundredth anniversary of the University of New Brunswick by the erection of a new building in connection with the college. At a recent meeting of the senate, Professor Dixon submitted to that plody a scheme whereby such a building could be erected and the idea is assuming definite shape. The building will be placed so as to form a quadrangle with the college. It will be eightyfive feet long and forty-five feet wide, two stories high. The ground floor will contain a civil engineering lecture 100m, a physical lecture room a cement laboratory, a physical laboratory and the business office. The first floor will have a large draughting room, 30 by 60, a museum, a library and reading room. In the basement provision has been made for an engine and dyname room and electrical laboratory, a photographic room, jamitor's room, etc. It will probably be placed on the right hand side of the avenue aproaching the college, on the second terrace, just below the gymnasium. The roof will be of steel. The estinated cost is \$20,000. To raise this sum it is proposed to borrow \$10,000 and then raise \$10,000 from private subscription. The interest on the first ten thousand to be guaranteed for a certain length of time by sub-scription. The scheme has been en-dorsed by the students and a commattee has been appointed to consult with Professor Dixon as to the best means of carrying it out. The com-mittee is composed of W. J. R. Wilson, W. A. Clawson, W. H. Harrison, A. H. McKee and G. Fred McNally. ST. MARTINS, N. B., April 27 .-Last Tuesday evening about sixty ladies and gentlemen of the village of St. Martins visited the home of Wm. H. Moran. The unexpected visit was for the purpose of entertaining him and his family before their reroval to St. John city, where they purpose residing in the future. A very pleasant evening was spent by all present in social conversation and various games. Miss Annie L. Vaughan, formerly professor of music in the Baptist seminary, gave a number of States this sp classical selections on the plano, About midnight Elmer Brown, acting as chairman, caffed the assembly to order, when addresses were given by Rey. S. H. Cornwall, Deacon J. S. Titus, M. Kelly and others, expressing regret for the removal of him and his family, and tendering their appreciation of his work in the past as a citizen and in the church of which he is a member. They also expressed clerk of course; S. H. Stevenson, St. their high appreciation of his judicial Stephen, starter; Dr. F. H. Moore, Calais, scorer; C. W. Young, C. H. work, administerng the law at all times without fear or favor. All uni-Clerke and Hugh Love, timers. Ented in wishing him success in his tries are coming in from many towns in Maine and New Brunswick, and a

ing them all for their kind words and wishes for the future. After the addresses, the ladies, who had come prepared, spread a bountiful repast, which was enjoyed by all. About midnight the company left for

ANDCYER, Victoria Co., April 22.—Reuren Sweezey of Tilley has in his possession since thing very rare and valuable in the line of fur, being no less than five jet black fox pups. Mr. Sweezey caught the mother area, which is an ordinary red fox, and thus secured the pups as well. All six loxes are alive.

Word is received from Edmundston that Medley Richards is again seriously ill. The ice is gone again, and without doing ony serious damage. A party of men are working on the passenger bridge patching it up for travel. The manager of the party came here about ten days ago and hired some men from the vicinity to work, but in I few days he was colleged to discharge them and take on those who had been recommended by Mr. Porter, M. P. P.

GRAND MANAN, April 28.—Dr.

Armstrong, D. D. S., M. D., has been

making a professional visit to the is-

land. Petitions for light houses, piers etc., are the order of the day with us. Another one has been circulated for a light in the Narrows between Two Islands and Red Point, A light placed on either sine of the Narrows would be of great value to navigation But there should be a small light at the entrance of Seal Cove Creek, too It is rumored that we shall have a sardine factory in connection with the lobster cannery here in the near future. Grand Manan can support a number of just such industries and find the fish to keep them running, too.

The more the merrier The swallows and toads have put in their appearance on time. We are glad to welcome them back after on of the longest and worst winters for vears.

Dominion government str. Curlew Capt. John H. Pratt, visited our island on the 24th inst, with the bounty cheques for our line fishermen The series of meetings held by Rev. Irvin D. Harvey, Free Baptist, at Grand Harbor F. B. church, have come to an end. Mr. Harvey has

labored faithfully with this church for four weeks, and much good work has been done in the church. A pretty wedding took place at the home of the bride, Miss Winnie Small, who was wedded to Harley In cersoll, son of Frank Ingersoll, our island herring king. Mrs. Ingersol was the daughter of J. Fred Small one of Woodward's Cove popular tra

ventists performed the ceremony F. T. Withycombe has set up a confectionary and cigar store in connection with his watch repairing prem ises in the post office building at Grand Harbor.

ders. Rev. Mr. Emerson of the ad-

Henry Bancroft of Bancroft's Point will be eighty-nine on the 28th inst., and is hale and hearty and as bright mentally as many a younger man. The old gentleman, like many another, is a lover of the modest but beautiful little violets, our first flower of spring, and was out searching for them, as he makes it a point to find them each year on or before the anni-

THE EXODUS.

Among the outward cargo of the In-ternational steamer from St. John for Boston yesterday were 65 packages of household effects.

ITOM Yar mouth carried over 200 passengers nearly all exodians. The Sydney Record says: A large

Lumber of Guysboro people have gone to the United States this spring. The exodus has been unusually large. The Moncton Times of April 28 says: "The Moncton and Buctouche raily ay train brought in about a dozen young men yesterday, all bound for the United States. The average number of exocians over this one little

branch for some time past has been about 25 a. week " A Petite Riviere, N. S., letter says: There is not very much going on in our quiet community, but a good many of our people are going off to more hustling quarters. The exodus from here to the United States is larger this spring than it has been for many years past. It pains us to see our fair land bereaved of its children in

this way" The Upper Caledonia correspondent of the Eastern Chronicle writes: ": We were extremely sorry to bid farewell to two of our most promising young folk, John S. Chisholm and his sister Margaret, both having departed for Uncle Sam's domain. Margaret will spend the summer with her sister, Mrs. Fraser, Woburn, Mass. John intends going to Westport, Oregon, where he enters into business

his brother, D. G. Chisholm. Says the Summerside, P.E.I., Journal: "Let an industrious maritime province man, who wishes to better his position, ask Hon. Mr. Sifton for free transportation to the wheat fields of the Northwest, for a year's seed grain, stock, etc., and he will meet with a decided and positive refusal, for he is already a citizen of the co try. But these privileges are unhesitatingly accorded Doukohbors, Finns, and other foreigners, whose value as Canadian citizens has yet to be proven. . . . Would it not be better for the government, instead of expending so much upon the importation of foreigners, to try, by some of the same generous treatment accorded strangers, but now refused our own people, to induce the thousands who are every year emigrating to the United States to settle in western Canada, and thus build up Canada with and for Canadians ?"

The Colchester, N. S., Sun editorially remarks: "The records of the passenger department of the I. C. R. show that the number of maritime province people going to the United States this spring is the largest in

"Wha!'s the use of a peace conference?" inquired the skeptic.
"A great deal of use," answered the capman indignantly. "It's a barometer. It we can get through a peace conference without a fight it will be a pretty good sign wat we can get through several years without a general war.—Washington Star. Str. Micmac sailed for Glasgow

about midnight Saturday. Children Cry for

H. HORTON & SON., 11 Market Square, St. John, N B.

THE MARKETS.

Revised Every Monday for the Weekly Sun.

ST. JOHN MARKETS. ST. JOHN MARKETS.

The Nutter market is easier. Ontario dairy lumps are offered at 12c, at points in that province, which would make the cost delivered here lower than our quotations on dairy rolls. Eggs are cheaper and tending lower. Spring lambs of fair size are offered and as nigh at \$4.50 per carcaise was paid last week in poultry, turkeys are easier. In vegetables, pursups are plendful and hard to sell. Rhubarb, cucumbers and strawberries from Boston are now in the stores about town.

ries from Boston are now in the stores about town.

In the fish market there are still no pickled herring and no dry pollock, with code acaree and high. In "resh fish halibut are cheaper at fc. and gasper-eaux at 75c. per 160. Kippered herring and smoked gasper-eaux are also quoted.

The flour and fruit and provision markets are steady. Molasses and sugar are very strong.
