GENERAL.
Shipbuilding Prospects.
London, April 25.—Norton Griffiths
stated here since his return from Can-
ada, that he would not be surprised
to see a shipbuilding plant establish-
ed at St. John, N. B. He also says that
he would like to see a naval college
scheme established in the Dominion,
opening up another profession for the
young men of the country.

A Humane Measure.
Shanghai, April 23.—A notable re-
form has been put into force here by
the republicans, regarding execution.
Before a man condemned to death by
the state, is shot, he is, under the
new regime, chloroformed. In this way
unnecessary suffering, and the
shooting of the executioner, is avoided.

Fakes Taboo.
Detroit, Mich., April 25.—A warn-
ing has been issued to proprietors of
moving picture theatres against ex-
hibiting fake pictures of the Titanic
disaster.

IS YOUR SKIN ROUGH AND "PATCHY"

Zam-Buk Will Make it "Peachy"

Every girl likes a good complexion.
Use of Zam-Buk ensures one. If you
have pimples or rough and scaly
patches on your face or any part of
your skin just try it.
Think what your skin has had to go
through during the winter just past.
You have been out in rain and sleet
and snow. You have been at one mo-
ment perspiring from skating, or some
other exertion. Then you have stood
"cool off." You have spent hours
indoors at a temperature equal to
summer heat. Then you have covered
up your skin except your face and
gone out into a temperature away be-
low zero? No wonder that with all
these changes the skin of the face and
neck shows signs of needing attention.
Zam-Buk is a skin food. Don't forget
that the skin has to do work just as
any other organ of your body has, and
if you overwork it, it gives out. Zam-
Buk is the remedy. Smear it
thoroughly over the spots, the eruptions,
the scaly patches, at night and note
how quickly your appearance improves.
As the rich, refined, herbal essences
sink deep into the pores, the hard
scaly-like patches are removed. The
cuticle is softened. The cells beneath
are stimulated to healthy operation.
The pores resume their work properly.
Better color results. The cells of the
skin are purified by Zam-Buk,
become transparent, the blood beneath
is able to impart its proper coloring
to the tissue, and the delicate "peach
bloom" of health replaces the sallowness
and pallor of disease. A few days' use
of Zam-Buk will be found to give
this result. Use only Zam-Buk soap.
Zam-Buk and Zam-Buk Soap are ob-
tainable from all druggists and stores
or by mail from Zam-Buk Co., Toronto.

Making a Star Play.
The attorney for the defense arose
and addressed the jury.
"Gentlemen," he said, "in all this
testimony to which you have listened
so patiently there is not one word
—Then he paused; and the jurors
braced themselves. They knew what
was coming. Or they thought they
knew.
"There is not one particle of evi-
dence against my client."
Then the jurors breathed more
freely and looked at one another with
a glad smile.
He had not said "scintilla"—Chica-

NEW PLAY GROUND

SOON IN SAINT JOHN

**Vacant Tract Near Exhibitio
Grounds to be Utilized for
Purpose—Bathing in the
Vicinity.**

A neighborhood playground will
be established this year on the open
space just below the exhibition build-
ings. There is a piece of level
ground large enough for the purpose.
An oval cinder path can be put down
with space enough in the centre for
equipment. One end of the ground
would be for the boys and the other
for the girls. There is water on this
ground, and it can be fitted up as a
playground at a moderate cost. It is
owned by the city, and Engineer Mur-
doch was the first to suggest that it
be utilized as a playground. Yester-
day afternoon Walter C. Allison, L.
Bandlow, of the Y. M. C. A. staff,
who has wide experience in play-
ground work, A. M. Belding and J.
E. Parker, who laid out the fine
playground at Portsmouth, New
Hampshire, visited the place and de-
cided that it would make a very ad-
mirable site. Just across the rail-
way track from this ground is the
beach with bathing houses so popu-
lar with children in summer. Messrs.
Bandlow and Belding with Dr. Mar-
garet Parks are members of a sub-
committee to report on the equip-
ment needed for this playground, to
the larger committee of which Mayor
Frink is chairman. The matter will
receive attention at once, and as
soon as possible after the new city
government is installed it is ex-
pected the work of fitting up the grounds
will be begun.
It will be for small children only,
as the space is not large enough to
accommodate the older boys and
girls.

A MUSICAL FARCE

**"The Purple Widow" a Mirth
Maker.**

The audience at the Opera House
last evening enjoyed two hours of
laughter with the second perfor-
mance of the musical farce "The
Purple Widow." The attraction is
obviously made for laughing purposes
only, and in this respect is very
concomitant with the first, and his
band of mirth workers provide abun-
dantly of fun, and the repeated en-
cores testify to the appreciation of
the spectators. The company will
give a matinee today and the final
performance this evening.

SMALL BOY GIVES

HIS MITE TO FUND

**Little Pat Kane Contributes His
Five Cents to Mayor Frink's
Subscription List for Titanic
Sufferers**

In addition to the amounts already
acknowledged, the following contri-
butions have been made to the mayor's
fund for the relief of the Titanic suf-
fers: R. B. Emerson, 10; W. Emerson,
Mrs. Emerson, Miss Emerson, 50 cents
each; Three friends, \$1.50; proceeds of
Seamen's Mission concert, \$22.50; Pat-
rick Kane Jr., 5 cents.

Patrick Kane is one of the first
boys to march down to the mayor's
office and contribute his mite.
