Sport Enthusiasm  
Greater In London50,000 Tennis Players, 5,000  
Cricket Teams and 45 Reg-  
ular Football Teams.

London, July 13.—Enthusiasm for sport is greater in London this season than ever before, asserts the Evening News in an article which declares that in and about the city today, there are 50,000 tennis players, 5,000 amateur cricket teams and 45,000 regular football players. Rejuvenation by five years of army life is advanced as one of the reasons for the record-breaking keenness for outdoor games.

Every lawn tennis club has a long waiting list, the newspaper states, grounds for tennis, cricket and football are at a premium, and the space available is hundreds of acres short of what is required. A tour of the playing fields indicates that there are tens of thousands who would join in if room could be found for them.

The London Playing Fields Society has 125 tennis courts which accommodate 2,000 players. The number of courts is five times that maintained by the organization before the war, yet it could have let them three times over for the present season. There are 200 clubs in Greater London affiliated to the Lawn Tennis Association alone, controlling 20,000 players, while 30,000 players are registered at the London County Council courts.

The secretary of the Southern Counties Cricket Conference, in which there are 270 clubs from Greater London, estimates that 5,000 acres are needed in this sport. He estimates that the clubs now owning their own grounds number 700.

The sports club of one large catering firm has 15,000 members and occupies 70 acres. One of the banks has spent 70,000 pounds on a sports ground in South London. Illustrative of the growth of outdoor activities among commercial companies is the fact that there are now 140 firms in the Business Houses Sports Association, compared with 50 in 1910.

London is encircled by a great belt of playing fields. One of the few pieces of ground still available consists of a 50-acre plot for which a railway company wants 600 pounds an acre.

Two Contestants  
Out of RunningDefaulted Games in Domini-  
on Lawn Tennis Because  
of Extreme Heat.

Toronto, July 13.—Two of the contestants at the Dominion lawn tennis championship tournament were forced out of the running this afternoon, through defaulting their games, as a result of the extreme heat.

Charles Chambers of New York, a former New York champion, after being on the log seat at a 6-2 score, on two occasions, lost his second set and had to default the third. P. B. Bennett, Winnipeg, being returned the winner.

F. C. Hart Montreal, after winning his first set, lost the second, and defaulted the third to R. Quinn, Ottawa. In the men's open singles Goodman, Nova Scotia, defeated Foster, Toronto, 7-5, 7-4.

Keeping Golf  
Course In ShapeDrought Which Has Prevailed  
is Matter of Interest to  
Golfers in the States.

Washington, July 13.—The drought which has prevailed throughout the country has been a matter of special interest to golfers everywhere on account of its possible effect upon the course of the Columbia Country Club, where the national open tournament is to be played, July 19-22.

It was stated at the Columbia Country Club that the course is in excellent shape. The foundation of its present condition is the care which has been given during the past few years to the development of turf on the fairway and putting greens. Later, during the day and night, during the dry spell, have kept their smooth and velvety texture, while the grass on the fairways is of sufficient thickness to withstand the burning rays of the sun.

This satisfactory situation is due to experiments which are unique with the Columbia Country Club, where for many years several tracts have been devoted to testing out all varieties of grass in order to secure the best results. The work on the experimental grass farm has been done by Dr. Walter S. Harban, former president of the United States Golf Association, in conjunction with the United States Department of Agriculture, who have secured valuable data for farm and lawn work.

The ninth green, which is said by experts to be the finest putting surface in the world, was constructed according to what is known as the vegetative process. The process depends entirely upon the use of grass seed. A variety of grass known as the creeping bent is cut into little bits about half an inch long which are laid upon soil and their covered with a top dressing. The silvers of the grass stem then vegetate and form a smooth turf which, when cropped, is of a soft and silky texture, over which the ball will run without deflection.

Y. M. H. A. Defeated  
Wolves Last NightEight Inning Game Played on  
St. Peter's Grounds—Score  
Seven to One.

In a fast eight inning game last night on St. Peter's diamond the Y. M. H. A. boys retrieved themselves by taking the Wolves into camp with a score of 7 to 1. Wright who was on the mound for the "Y" boys, besides pitching good ball, fielded his position with some wonderful catches. R. Green in centre field kept up his fine form by hauling down a few hard ones and by hard hitting Cuthbertson was also there with the willow. Yeomans for the Wolves pitched a good game but was hit freely at times. His comrades were not up to their high standard of batting, but Bartlett at left field, however, made a wonderful catch. This victory places the Y. M. H. A. again in the lead. Tanzeaman and Thompson were on the receiving side for the Y. M. H. A. and Wolves respectively.

**CHALLENGE THE STARS**  
The South End Rovers wish to challenge the Duke Street Stars to a game of ball to be played on the Crown street diamond next Monday evening at 7.15. They also wish a return game with the Bulldogs Thursday evening on the Water street diamond.

**AMATEURS BEAT PROFESSIONALS**  
Philadelphia, July 13.—Jerome D. Travers and Max Marston, amateurs, defeated George Duncan and Abe Mitchell, British professionals, in their 36-hole golf match at the Marion Cricket Club's course today by four up and two to play. Marston clinched the victory for the home team by sinking a long putt for a "bird" three on the 34th green.

**Stewart, Singleton and Smith; May and Watson, Meritt.**

Horse Racing  
At WoodstockSarasore Won 30 Class, Sas-  
kia Captured the 21 and  
Buster Boy the 15 Trot.

Woodstock, N. B., July 13.—The second day's racing on the parlor track was attended by about 4,000 people who remained until the close at 7.30 this evening. At 2.30 there was a tornado of wind and rain which was the first rain that fell here for two months. At 5 o'clock an auto truck with brushes went over the track and the races were resumed.

In the 2.30 Class Sarasore was too speedy for the field. In this class the starter, Al Standish, of Boston filed Fred Cameron, who was driving Banant \$10 for failing to come out promptly.

In the 2.21 Class Saskia was an easy winner. The 2.15 Trot was a thriller. There was a side bet of \$500 a side between Dr. McAllister, the owner of Fern Hal, and Carl Hanson, the owner of Buster Boy. In the second heat of this race while scoring Fern Hal was run into and Fred Cameron thrown from the sulky, but no harm was done. The driver only a wait was occasioned for a new wheel. The sympathy of three quarters of the grand stand was with Fern Hal and there was much crabbing at the starter but, in today's race anyway Fern Hal was not in the class with Buster Boy.

**SHERBROOKE MAN WON**  
Montreal, July 13.—S. R. Newton, of Sherbrooke, today won the trophy emblematic of the Canadian trapshooting championship competed for the grand champion of the Dominion, which featured the closing day of the Eastern Canada trapshooting tournament.

S. Harrison, of Rochester, N. Y., had the greatest total, this being 96. As Harrison is not a Canadian, he had to surrender the title and trophy to Newton. H. Sanford of New York tied with Newton in number scored and was placed third.
