The case of Smith vs. Gerow still ocsuples the court. This action arose from certain contracts which the plaintiff made with the Corporation for wharf repairs He had as a partner one McAulay, but who was not known as a party in the contract. The defendant, Mr. George Gerow, went security for Smith. The plaintiff swears that Mr. Gerow was to make advances for which a percentage was to be paid, and to receive the money for the work from the Chamberlain. The last contract made was for the construction of some ferry floats, but the Common Council refused to take these floats as they were not made of proper material. On this contract the defendant drew some \$1100 of the plaintiff's money. The defendant claims not to have known Smith in the arrangement, but McAulay, who told him the Corporation would make advances as soon as the material was on the ground. This the Council would no do until some of the work was done. The defendant then talked with the contract ors and they proposed to take him into partnership with them. The work pro gressed, he advancing money, and, for a PORTLAND FOUNDRY himself, as Smith was often drunk. The entire profits of the wharf contract were \$3,000, and the defendant kept one-third as his share, and on the float contrac tiff denies that there was any agreemen to divide the profits, and claims that the defendant is only entitled to his percentage. The case for the defence was taken up this morning, and the examination of Mr. Gerow finished, when the Court ad-

Dr. J. Walker's California Vin egar Bitters are a purely Vegetable preparation, made chiefly ftom the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient rethe cause of disease, and the patient re-covers his health. They are the great covers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegar Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.
