Sanctum Suggestions.

It has been frequently suggested, and the suggestion is a good one, for every larmer to place his name and the name of his farm on his road gate. Not only would persons diving to a place more casily find it, but it would add more pleasure and interest to people driving from place to place. This last result would have special effect with regard to well-kept and pretty places. An observing person will seldom pass a beautiful farm without desiring to know who is its enterprising owner.

A Dawson City paper says.—C. M. Weodworth, former Dawson lawyer, is on top in Vancouver. A returning Klondiker brings word that Woodworth is prosperous, and is where the can command something. He, it is said, controls much of the patronage, and is getting en swimmingly. Mr. Woodworth is a native of Aylesfoad, this country, and a graduate of Acadia in the class of '90.
