

I have now only to add that it is a matter of congratulation, to be in a position to affirm, that in regard to morality, they at least show no change for the worse.

It would be hard to find anywhere a people among whom the precepts of nature and religion are more faithfully observed.

I have the honor to be, Sir,
Your obedient servant,

D. McISAAC,
Indian Agent, District No. 11.

IONA, 10th September, 1884.

The Right Honorable
The Superintendent-General of Indian Affairs,
Ottawa.

SIR,—In connection with Indian matters in this district, I have nothing very important to report.

The school at Middle River has been in operation since November last, and I am happy to report that it is doing very well.

The children attending school show a degree of intelligence and tidiness, altogether wanting in those who do not attend.

The crop of potatoes and grain this year promises to be excellent. The soil in Middle River Reserve is specially adapted for potatoes and wheat.

I have the honor to be, Sir,
Your obedient servant,

R. GRANT,
Indian Agent, District No. 12.

CHRISTMAS ISLAND, N. S., 25th August, 1884.

The Right Honorable
The Superintendent-General of Indian Affairs,
Ottawa.

SIR,—I forward by this day's mail, tabular statement. Outside of this statement, I have nothing to report.

Your obedient servant,

M. McKENZIE,
Indian Agent, District No. 13.

LENNOX ISLAND, P.E.I., 8th August, 1884.

The Right Honorable
The Superintendent-General of Indian Affairs,
Ottawa.

SIR,—I have the honor to transmit to you herewith my report and tabular statement for the year ended the 30th June last.

I am happy to be able to state that the Indians of Lennox Island are giving up their nomadic habits.

Usually when the spring sowing was over, the Indians would leave the reserve for places in the vicinity of railway stations, where they would pitch their tents, to return only for Ste. Ann's day, the 26th of July, when, after one week's stay, they would again go away for two or three months to return for the winter season.
