THE passenger to the Pacific Coast is to-day offered a choice of routes that renders it unnecessary to re-trace his steps and opens up a wealth of new scenery and outdoor sport.

Do not fail to visit Jasper and Mount Robson Parks with their wonderful mountains, gorges, glaciers and cataracts.

Here the protection given to game has increased the quantity and reduced the

Mountain sheep and goat, the most wary of animals, are seen feeding on the hills, and coming down to the railroad in view of passing trains.
