We offer a university education and a career to make the most of it.

Ask about the Canadian Forces Regular Officer Training Plan.

You have initiative, leadership qualities and are determined to succeed! This may be the plan for you. Upon acceptance the Canadian Forces will subsidize your education at a Canadian military college or a mutually selected Canadian university. We offer you a good income, tuition, books and supplies, dental and health care and a month's vacation if your training schedule allows. On graduation you will be commissioned as an officer and begin work in your chosen field.

It's your choice, your future.

For more information on plans, entry requirements and opportunities, visit the recruiting centre nearest you or call collect — we're in the yellow pages under recruiting.
