

NOVA SCOTIA OUR FUTURE IS HERE

“New attitudes, new jobs and new investment – using our own resources and the skills of our people, we are moving confidently to meet new challenges and opportunities. I have no doubt that, for all Nova Scotians, our future is here.”

JOHN BUCHANAN'S PRIORITIES FOR NOVA SCOTIA

1. Preserving the quality of life in our communities through support of agriculture, fisheries, forestry and tourism
2. Developing our own energy resources, especially coal and tidal power
3. Expanding educational and manpower training opportunities to ensure young Nova Scotians will be able to take advantage of new jobs arising from our resources and new technologies
4. Responding positively to the changing needs of our senior citizens and the disabled

5. Implementing programs to bring Nova Scotians the maximum benefits from offshore development

John Buchanan believes that by continuing to work hard together, we can build an even greater Nova Scotia.
