**No matter how
active you are**

The more active you are, the more gymnastics and sports you participate in, the more you need to know about Tampax tampons.

Because they're worn internally, they don't hamper movement and don't cause irritating discomfort. When inserted properly in place (it's easy!), you'll never feel them. Removal is also easy: the withdrawal cord is chain stitched the entire length of the tampon so it can't pull off.

And you should know that Tampax tampons are economical. They come in packages of 10's and 40's, not 8's and 30's like some others. You get more for your money. More of the protection that keeps you comfortable no matter how active a life you lead.
