PORTLAND, ME. Sept. 4th 1919

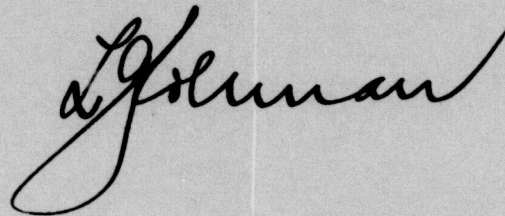

My dear King:-

It was with great pleasure I read a few days ago your election as leader of the Liberal Party. Please accept my sincere congratulations.

It does not seem likely that I shall return to Canada permanently, but I certainly do not intend to forego any opportunity to see my old friends, of whom I count more in Canada than anywhere else, and I trust to have the pleasure of seeing you and congratulating you in person the next time I come up.

Very sincerely yours,

The Hon. W.L. McKenzie-King,
