and Auditor of Penitentiaries Department
of Justice and I would deem it a very
great favor if you would intervene
for him to the Hon Hugh Guthrie Head
of the Department of Justice

I can vouch for this young man's
integrity. He has many friends among
the Doctors and since the failure of the
Ottawa Brokerage firm has handled all
our transactions of securities through
his bank, including my own.

He is a clever, capable chap and during
his nineteen years of banking experience
has never had a stain against him.

His friends among the medical
profession, including myself are
determined not to see him kept down
if we can do anything to assist him.
