Ottawa, February 5th, 1932.

Dear Mr. de Lorimier:-

It is with sincere gratitude that I acknowledge your very kind telegram. The decision which confronted me was indeed difficult, but I concluded that the avenue of service proposed was about the only one in which I could possibly help consistently with my other obligations at this time. It is quite apparent that much work is going to be entailed, and I do greatly appreciate your expression of good will.

Yours truly,

R. G. de Lorimier, Esq., K.C.,
57 St. James Street West,
