Ottawa, January 28, 1915.

Madam,--

The Department has been informed that you have given up your duties as teacher of the Bel Ground School and appointed a successor to carry on the work.

You have given the Department no intimation of your intention to resign your duties at this school and have no authority to appoint another teacher. If it was your intention to resign you should have given due notice. The Department would like to be informed by you at once as to whether you are giving up your duties and, if not, why a substitute is teaching for you at this school. An early reply will oblige.

Your obedient servant,

*L. W. Heath*  
Asst. Deputy and Secretary.

Miss Margaret Isaacs,  
Teacher,  
Bel Ground Indian School,  
New Castle, N.B.
