

OFFICE OF THE PRIME MINISTER

MEMORANDUM for the Prime Minister  
C229081

Mrs. Clyde Scott telephoned to ask whether it would be possible for you to provide a letter for Barbara Ann Scott and herself, to assist them in their forthcoming trip to the Olympic Games and elsewhere in Europe. They plan to leave next Sunday, December 14th.

-- The attached letter is modelled on that which you gave Mrs. Scott last year on the occasion of the trip to the European and World Figure Skating Competitions.
