2nd Witness for the Prosecution.

F41630 Pte. Wamboldt, M. L., having been duly sworn, states,-

On the night of Friday, 14 Feb 41, Thibault and I were coming from the hospital at Warlingham. Just after we got by the Chelsham Bus Station we met four chaps. I recognized Pte. McDonald, A., and Pte. McNeil, C., they were in an argument with an elderly woman, a young girl, and a young English soldier. We stopped to see what the argument was about. It seems they, the four chaps from the W.N.S.R., had misused the English soldier and the mother came out and wanted them to apologize. We just stopped as the two women and the English soldier moved on. While we were talking to the two women and the English soldier, Thibault hollered my name. I went back, Thibault was on the ground and three chaps were "putting the boots" to him. The only one I recognized then was McDonald, A. I interfered to help Thibault and one of them hit me. I don't know which one. He knocked me down and then came for me again when I got up. I clinched him and held him so he couldn't hurt me. At that, Pte. McNeil, C., came back and talked to him and got him stopped. The four of them went on and I got Thibault home.

Cross-examined, by the accused.

Question: Can you identify the man with the two women as an English soldier?

Answer: Yes. The woman told us that it was her son.

I was proceeding from Warlingham with Pte. Burgess. Just opposite Chelsham Bus Garage, Pte. Smith, D. A. caught hold of Burgess. I went back and told Smith to leave Burgess go, which he did. I happened to look over and saw some kind of a squabble on the roadside. I went over and saw Ptes. Morrison, W.H., McDonald, A. and McNeil, C. I do not know who the other chap was, he appeared to be on his knees. Smith and I got into another argument, and I told Smith that he had been drinking and I hadn't and I told him if he had
