JOHN. D. DUNCAN,

64 & 66 DRUMMOND Street

LICENCEE OF

THE WALKER-GORDON LABORATORY CO.

MODIFIED MILK
Trade Mark

For the Scientific Feeding of Infants and Invalids.

MR. DUNCAN is the only gentleman in the Dominion who prepares Modified Milk for infants and invalids. It is sold only under doctor's prescription and since commencing two years ago the great majority of the medical men of Montreal and in fact all over Canada prescribe it for their patients. Mr. Duncan has daily orders from Toronto, Ottawa and other large outside cities.

The process which is a very elaborate one results in the conversion of cow's milk to the same consistency and properties of mother's milk. According to infants who are able to have the breast exactly the same conditions as the more fortunate child who draws its sustenance from the material for its.

As to its excellence of what is claimed for it, all the leading doctors of the City will testify in its favor. It is in use in the Foundling Home and other large institutions of a similar character.

Mr. Duncan has recently purchased the commodious premises Nos. 64 and 66 Drummond Street which he has had refitted and furnished with all the latest appliances for the manufacture of
