authorized or appointed by the Governor-in-Council, may cause the same, together with any pens, hurdles, troughs, litter, hay, straw or other articles which he judges likely to have been infected thereby, to be forthwith destroyed, or otherwise disposed of, in such manner as he deems proper, or as is directed, as provided by this Act. 42 Vict., c. 23, s. 7.

SEC. 13.—(1) The Governor-in-Council may order a compensation to be paid to the owners of animals slaughtered under the provisions of this Act, and whenever the animal slaughtered was affected by infectious or contagious disease, the compensation shall be one-third of the value of the animal before it became so affected; but shall not, in any case, exceed twenty dollars; in every other case the compensation to be three-fourths of the value of the animal, but shall not, in any case, exceed fifty dollars; and in any case of thoroughbred pedigree animals two-thirds of the value of the animal, not to exceed \$150; in all such cases the value of the animal shall be determined by the Minister of Agriculture, or by some person appointed by him.

(2) Such compensation may be withheld in whole or in part whenever the owner or the person having charge of the animal has, in the opinion of the Minister of Agriculture, been guilty, in relation to the animal of an offence against this Act, or whenever the animal, being a foreign one, was, in his judgment, diseased at the time of entering Canada.

See also Revised Statutes of Ontario, 1887, chap. 216.—An Act to prevent the spread of contagious diseases among horses or other domestic animals. Relates principally to glanders and farcy.
