## BOOK OF BARN PLANS FREE

If You Intend to Build a New Barn or Remodel an Old One You Should Have This Book

It contains 51 representative designs for cow barns, horse barns, combination and general purpose barns, as well as many other designs for hog barns, pens, hay sheds, chicken houses, etc.

In addition to the barn plans shown in the book, there are 82 pages devoted to general construction problems, such as concrete work, laying floors, roof construction, ventilation, etc.

**Louden Barn Plans** is not a catalog of barn equipment. It is a complete and valuable book of reference and instruction on barn construction.

The 96 pages of **Louden Barn Plans** are full of dollar-saving information.

**When Writing for This Book Please State When You Expect to Build, and How Many Cows and How Many Horses You Want to House**

We have designs for nearly 4,000 barns, and our architects will give your letter personal attention if we learn your exact requirements.

## Louden Barn Equipment

Louden equipment makes possible a clean, sanitary barn with a minimum of expense. When cows are transferred from dark, dirty barns to Louden barns the milk flow often increases from 15 to 25 per cent, and the labor of caring for the herd is reduced from one third to one half. Louden equipment is just as great an economy for the man with a half dozen head of stock as for the man with hundreds of animals. The percentage of labor saved is the same.

## Vessot Feed Grinders

WHAT better recommendation than this could a feed grinder have—"It grinds flax, barley, corn, crushed ear corn, oats, wheat, rye, peas, buckwheat, screenings of any kind of mixed grain or any other feed stuff, fine or coarse as desired, and removes foreign substances."

"It grinds all feed stuff"—because of its excellent grinding plates. So well known are the original Vessot plates, and so highly regarded by all who know them, that imitations are appearing. To insure our customers getting genuine plates, we have arranged to have the trade-mark, "S. V.", placed on every genuine Vessot plate so plainly that you cannot go wrong.

Look for the "S. V." Vessot grinding plates do their work so uniformly well that a clean, satisfactory job is assured. The two-sieve spout removes all foreign matter, from nails and stones to dust and sand. One caution only—use steady, reliable power to drive a Vessot grinder, such power as is furnished by an International Harvester oil engine—Mogul or Titan.

Buy a Vessot feed grinder in the size best suited to your work and a Mogul or Titan oil engine to run it. See the I. H. C. local dealer, or write to the nearest branch house for full information.

# MONEY For You

A Simple Method by Which Our Readers Can Increase Their Incomes

We want representatives in every locality to help us extend the circulation of FARM AND DAIRY. Local canvassers such as nurserymen, implement and insurance agents, will find this a very profitable side line.

Our boy and girl readers who wish to earn a little spending money should try out our plan. We are sure that they will find it profitable.

You may be one of those who are looking for employment that will profitably utilize your spare time. If so, this is just the work you are looking for. No experience is necessary. We have started a great many people out in this work and can safely say that the majority of them have made a success of it.

We shall be pleased to hear from you at once concerning our cash commission offer. Remember that while you are thinking about it your friend may be up and doing and he or she getting the money. When you write us tell us who you are, what your present occupation is, and how much of your time you will be able to devote to the work. Remember we shall be able to employ you whether you can give your whole time to the work or only a few hours each week.
