

Many Helpless With Paralysis,

Who Could Now be Well Had They
but Known of

Dr. Chase's Nerve Food.

We do not claim that every one who is paralyzed can be cured by using Dr. Chase's Nerve Food, for many are beyond the reach of any medical treatment, and must finish their days in helplessness and suffering.

It is rather to those who are only partially paralyzed and to those who are slowly but surely developing the symptoms which indicate the approach of such ailments that we would suggest the advisability of using Dr. Chase's Nerve Food, the great food cure for diseases of the nerves.

When you find yourself lying awake at nights, suffer from indigestion and headache, feel drowsy after meals and losing energy, ambition and courage, it is time to pay attention to the nerves. You may find yourself irritable at times, worried over little things, unable to concentrate the mind, forgetful and absent-minded, disheartened and discouraged. Better give some attention to the nerves.

Dr. Chase's Nerve Food cures and prevents paralysis and locomotor ataxia. It does not ease by inducing unconsciousness and unnatural sleep. It does not deaden the nerves as do opiates and narcotics. But, on the other hand, by assisting nature and supplying the elements from which are formed new blood and nerve force, effects thorough and lasting cure, and is bound to benefit all who use it.

Seldom, if ever, has any medicine secured such hearty endorsement of physicians and people alike. The cures which it has brought about have often been most extraordinary, and anyone who regularly and persistently uses this great food cure is sure to find it of inestimable value as a nerve, restorative and blood builder.

By noting your increase in weight while using Dr. Chase's Nerve Food you can prove that new, firm flesh and muscular tissue are being added to the body. Fifty cents a box, six boxes for \$2.50, at all dealers, or Edmanston, Bates & Company, Toronto. To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous recipe-book author, are on every box.

GOSSIP.

At the annual auction sale of Lincoln rams at Lincoln, England, August 14th, 36 rams sold for an average of £24 15s. The highest price, 68 guineas (\$350), was paid for a shearling ram from the flock of Mr. Tom Casswell, Pinton, purchased by the Messrs. Wright & Son, of Nocton Heath.

At the annual auction sale of Shropshire sheep from the flock of Mr. Alfred Tanner, held at Shrawardine, England, 37 yearling rams, 30 yearling ewes and 10 stock ewes were sold, the rams making an average of £16 17s. 9d., and the ewes £3 3s. The highest price for a stock ram was 100 guineas (\$525), at which figures two were sold, the first to Sir P. A. Muntz, and the second, a shearling, to Mr. E. J. Frank.

At the annual letting and sale of Hampshire Down rams from the flock of Mr. Dibben, Bishopstane, England, last month, eight ram lambs were hired for the season for an average of £26 8s., one being taken at the great rental of 100 guineas (\$525). At the annual letting of ram lambs from the flock of Mr. James Flower, nine lambs were let for the season at an average of £59.3 (\$295), two being hired at 135 guineas (\$708) each.

The American Leicester Breeders' Association have again secured the services of Mr. James Snell, of Clinton, Ont., who left for the range country of the U. S. on September 1st to dispose of registered rams for the members of the Association. Last year they placed two carloads, principally in Wyoming, and one carload in the Northwest Territory, and hope to do better than that this year. The secretary of the Association, Mr. A. J. Temple, reports business very good at this season of the year, and informs us that he is about to give into the hands of the printer the copy for Volume 4 of the Leicester Record, which will be issued some time during October.

Mr. T. J. Berry, Hensall, Ontario, who has been in Scotland, has purchased from Mr. John Kerr, Redhall, Wigtown, two well-bred Clydesdale stallions, both four years old, which sailed last month from Liverpool per the Nomadic. One of them, Royal Cumbrian (11164), bred by Mr. Kerr, is by his own noted stallion, Royal Champion (8956), a sire that leaves his mark in every show-yard in the North of England, besides being the sire of winners, both at the Royal and Highland Society's shows. Royal Champion is by the celebrated breeding stallion, Lord Lothian (5998), by Top Gallant (1850), by Darnley (222). Royal Cumbrian's dam, Darling of Redhall (12523), is an excellent breeder, being the dam of several stallions, one of which is now in Australia. All her produce have been more or less prizewinners. She is by the good breeding horse, Gartsherrie (2800), by Darnley (222). It will thus be seen that his breeding is of the best. Foals by him have already been prize-winners at several of the shows in Cumberland this year. The other horse, Lord Howatson (11406), bred in Dumfriesshire, is also extra well bred, being by Montrave Florist (10240). A son of the three-thousand-guinea horse, Prince of Albion (6178), by Prince of Wales (673). His dam, Violet (14252), which, in the hands of the late Mr. Patterson, of Robgill, won so many prizes as a yearling and two-year-old, is by the noted Mains of Airds (10379), by Prince of Wales (673), out of the great mare, Pandora, by Darnley (222). Considering the breeding of these two stallions, and the fact that they are both first-class doers, these horses, says the Scottish Farmer, should do well for Mr. Berry in Canada.

A GOOD HOG TROUGH.

Mr. Wilbur S. Gordon, Tweed, Ont.: Dear Sir,—The hog troughs arrived in good shape, and I like them fine. Would not be bothered with wooden ones now, and can recommend them, and think I can sell quite a number. I expect to give you another order soon.

Yours respectfully,

W. S. G. HOGGIE
