

"OSHAWA" STEEL SHINGLES

differ from other shingles in many respects. Their superiority is shown by the demand for them from all parts of the globe.

"Oshawa" Steel Shingles are locked on all four sides; a feature which no other steel shingle possesses. They do away entirely with the cleats, which experience has proven do not hold the sheets down firmly, and are always being opened up with sliding ice and snow.

Locked shingles mean a big saving to you, as they are easier to apply than any other. Once you've made the acquaintance of the "Oshawa" Shingle you'll use no other. The reason is very plain.

You will have a shingle that gives the most satisfactory results, and does away with the annoyances and complaints which follow the use of inferior goods.

Our catalogue gives fullest particulars. It's yours for the asking.

The examiners for the license to practice as a veterinarian in Manitoba and to charge fees for services rendered are: Dr. Fred Torrance, Martin and J. A. Stevenson (Carman). The mistake in our putting Dr. Williamson on the examining board arose through quoting from the report of the Manitoba Veterinary Association.

Mr. Geo. Isaac, Cobourg, Ont., makes a change in his advertisement in which he offers for sale imported Clydesdale and Shire stallions and Scotch Shorthorns, selected by a first-class judge in Scotland, and up-to-date in type, breeding and quality. Write him for prices, or call on him, one mile from Cobourg Station, G. T. R.

A "Farmer's Advocate" representative recently called at Stronsa Stock Farm, Roland, Man. Mr. David Allison, the proprietor, breeds Shorthorns and Berkshire swine. The Shorthorns are a grand lot. A noted cow is Daisy of Strathallan 12th =26101=, by Mina Chief =13670=, out of Red Rose of Strathallan 3rd; she won first in her class, and sweepstakes for female any age, at Toronto, London and Ottawa, and also first at Winnipeg as a four-year-old; is six years old, and has produced five calves. Prairie Flower is a splendid cow, she won first prize in Winnipeg as a calf. The whole stock is composed of first-class animals. One bull, Stronsa Hero, about fifteen months old, is a grand fellow, which would be pretty hard to beat in the showing. Mr. Allison has quite a few animals which should make creditable reputations at our largest shows.

Messrs. A. & J. Morrison, of Glen Ross Farm, Homewood, Man., have been for a number of years engaged in breeding horses and Shorthorn cattle. The foundation of the Shorthorn herd was well selected, and the progeny has bred on, not only true to type, but also with marked improvement. The stock bull, Golden Flame, has few peers in the West, and is by Gold Dust =23359=. Duchess of Boston 15th is a grand old cow, still smooth and of good conformation after producing quite a herd of good stock. Another veteran breeder still carrying the honors is White Socks, by The Premier =14388=, taking first and championship at Carman Show last year, when twelve years old. Countess of Dufferin, by Chief Captain =17461=, is a low-set, straight-lined cow of good quality. Prairie Rose, out of the same dam, by Sir Walter 3rd =23389=, is a grand cow; she took third prize as a three-year-old at Winnipeg. A full sister, also a grand cow, is Floss. Duchess of Homewood is a thrifty two-year-old, by Golden Flame, out of the same dam. She is a particularly fine heifer. Moss Rose, out of Prairie Rose, by Golden Flame, is a broad, deep, thick-fleshed two-year-old heifer. Pansy Blossom, out of Pansy, by the same sire, and Lady Florence, out of Daisy of Glen Ross, are a pair of thrifty two-year-olds. Daisy of Glen Ross, by Sir Walter 3rd, out of White Socks, and Pansy, a full sister, are typical cows. Golden Prince, out of Floss, by Golden Flame, is a broad, deep, blocky bull, is about eighteen months old, and would make a creditable leader for any herd. Premier Prince, out of Duchess of Boston 15th, by Golden Flame, is a promising young fellow, fit for service. In horses, Messrs. Morrison have a splendid stock, to which they have added, last fall, two Clydesdale mares imported from Scotland: Princess Attractive is a low-set, deep, clean-lined mare, got by Cedric (10250), he by Prince of Wales (673), out of Princess Romeo, whose grand-sire was by Prince of Wales, is in foal to Majestic (11421). Balmano Queen is by Prince of Balmano (40976), granddaughter of Prince of Wales, she is out of a mare sired by Macgregor, is a larger mare than Princess Attractive, and of more rangy conformation. Both mares have grand feet and legs, and both move off with free stylish action.
