

TWO ORGANS.—Regulate first the stomach, second the liver; especially the first, so as to perform their functions perfectly, and you will remove at least nineteen-twentieths of all the ills that mankind is heir to, in this or any other climate. Hop Bitters is the only thing that will give perfectly healthy natural action to these two organs.—*Maine Farmer.*

I hope your prayer every day will be, Dear Jesus, make me love to do Thy will, as the angels do in heaven

MRS. PARTINGTON says, Don't take any of the quack nostrums, as they are regimental to the human system; but put your trust in Hop Bitters, which will cure general dilapidation, costive habits, and all comic diseases. They saved Isaac from a severe extract of tripod fever. They are the *ne plus unum* of medicines.—*Boston Globe.*

Startling Exposure of the Liquor Traffic.

"DRINKS FROM DRUGS." A book that can not fail to arouse the American people to the gigantic swindle now being prepared. The writer offered \$10,000 by a leading brewer to keep still. Liquor not only doctored but made entirely from drugs. Extracts from a whole library of secret books, giving receipts for making and doctoring—advertisements of essences, facsimiles of labels, engravings, etc. Charret, port, sherry, champagne, whisky, brandy, gin, rum, etc., all out of one barrel and made at less than 25c. a quart. Wine that never saw grape juice—cider that never saw apples—beer factories in places of breweries—fine cream ale without barley or brewing—whisky from arsenic—millions of gallons of liquor that pays no revenue tax. The farmer's corn and barley "all in your eye." A wholesale liquor store in a ten foot square cellar—More French wine sold in New York city than is produced in the whole of France.

This book is no mere toy, but an exhaustive work—a work of years of close research and investigation, and can not fail to prove an invaluable auxiliary to the temperance cause. It forms one volume of our 'Popular Temperance Library,' and we shall sell it at the following fabulous prices: Single sample number, 10c. Five or more sent to separate addresses for 8c. each. Special rates on large lots.
We also publish 90c. to \$1.50 story books in large newspaper form. One complete book, illustrated, in quantities at 2c. each. Samples of three books already issued, for 10c. A whole library of choice \$1.00 to \$1.50 story books in book form (paper covers) especially for Sunday schools and Bands of Hope for only 5c. each (sample copy 8c.). Eighteen monthly papers at 5c. each a year (samples of each for 10c.). We take contracts to sow towns knee-deep with temperance literature for a song, and that, too, with papers instead of tracts. A full line of Band of Hope supplies so cheap that the penny collection pays for library, weekly paper, badges, pledges and all. Also a host of other temperance documents, all at revolution prices. Send for catalogue and new plans of 'sowing' temperance literature.

We have the endorsement of the press, societies, and all prominent workers in all parts of the country.
HON. JAMES BLACK of Pennsylvania, says: 'Your knee-deep plan, if adopted and persevered in, will revolutionize any community.'
HON. JOHN B. FINCH, of Nebraska, says: 'Your work will do more to help our cause, if supported, than all other means combined.'
FRANCIS WILLARD says: 'My heart sings hallelujah as I think of your splendid courage; they meet our wants.'
GOVERNOR ST. JOHN, of Kansas, writes: 'I heartily approve of your plans; while Hon. N. B. Dow, of Maine, adds, 'Your publications are admirably calculated to promote the cause, and I wish you abundant success.'
An Appeal. We wish to reach every temperance worker in the land, man or woman, with our samples, catalogues, etc. We can do nothing if we can not reach the people. Will not every one send us names of workers? It only costs a postal card and a few minutes' time. Please say where you saw this. Address, "REVOLUTION TEMPERANCE PUBLISHING HOUSE," DAVID C. COOK, Manager, 148 Madison St. Chicago, Ill.
