**A Physician's Testimony For Labatt's Stout.**

Dear Sir:—  
 Speaking from personal experience I can state that your Stout is excellent in building up the system—I was very much run down and was advised to use Labatt's Porter—this I have done for some time and I largely attribute to its effects my steady improvement in strength and weight. I deem it but justice to you, and it certainly is a pleasure to me, to add my testimony to its sterling qualities, and I gladly recommend your Stout as an excellent tonic and food in cases where such is required.

 It is also very essential to our existence in times of peace. No one can secure the necessities of life without money or its equivalent. Yet, notwithstanding how much it is needed, it is sometimes very difficult to obtain, and the supply frequently ceases entirely upon the removal of the bread-winner. Recognizing then the duty of making certain provision for the family in event of such a contingency, the desirability of life insurance as a means to this end is at once self-evident. Now is the appointed time to attend to this matter; it may be impossible to do so later. The best forms of policy contracts are issued by the
