A Physician's Testimony for Labatt's Ale

"We find that the ale uniformly and well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste, likewise, is always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—SUPERINTENDENT OF LARGE U. S. HOSPITAL.

WHEN LIFE COMPANY

receives from its Policyholders such informal and spontaneous expressions of approval as the following, it is clear that the relations between Policyholder and Company are all they should be:—

"Your favor to hand enclosing amount of dividend on Policy. This is just like finding money. I only wish that all the Policies I have might pay the same."

Those contemplating Life Insurance will do well to look into the Policies that earn such invariable approval - clearly shown in the unprecedented business being written by

THE Great-West Life Assurance Company

LINENS

No investment that can be made will produce greater dividends in immediate pleasure and future satisfaction than Household Linens for the bride, bearing the Catto label.

Aside from its intrinsic value their linens have the distinction of representing the perfection of the weaver's art.

The careful and prompt attention to Mail Orders is a feature of their establishment.
