The Double Action Harrow For The West

Proper cultivation and clean fields are the needs of every Western farmer. The plates in the Bissell are the correct shape to cut, pulverize and work the ground properly.

BISSELL DISK HARROWS

Simplicity of construction, every part built for business, proper balance and the knack to get right down to perfect work make the 'Bissell' ideal for Western farms. These double action harrows have one disk out-throw, the other in-throw, giving two full width cuts. Connect up 4, 6 or 8 harrows with engine power for a large complete Disking Outfit. Write Dept. "O"
