# NORTHERN STAR RANCH

Suffolk Sheep on the Northern Star Ranch.

## SUFFOLK SHEEP

The Suffolk Down Sheep have proven their worth as an all-round wool and mutton sheep. At the Calgary Fat Stock Show, December, 1917, in a strong carcass competition of 23 entries, a pure-bred, shearing Suffolk wether won second place in the live carcass class, and in the lamb class, Suffolk crosses came second and fourth. Again in the Ham Sale the Suffolks averaged higher than rams of any other breed.

The wool of the Suffolk grades higher than that of any of the other Down breeds and the weight of their clip compares well with them as their fleece is very dense. I have for immediate sale a fine selection, all ages, both sexes. Write, write or phone.
