Meat Takes Another
familiar head-
line in the newspaper.
Why worry about the
cost of something you don't
need? The most expensive
foods are generally the least
nutritious. In Summer
health and strength come
from a meatless diet. Two
Shredded Wheat Biscuits,
heated in the oven, covered
with berries or other fruits
and served with milk or
cream, make a complete,
satisfying, nourishing meal at
a cost of five or six cents. All
the meat of the whole wheat.

**ITALIANS GAIN
MORE SUCCESSES**

**Three Lofty Heights Taken by
Cadorna's Troops**
A despatch from London says—
Further successes are claimed by
Rome. The lofty heights of Monte
Giamondo, north of Fusin, and Monte
Caviojo, have been seized by General
Cadorna's troops. Lying between the
Posina and Astico, these positions give
the Italian command of a wide
stretch of territory. A further gain
in their sweep across the Asiago Pla-
teau also is claimed by the Italians.
They have occupied the southern side
of the Assa Valley and now are storm-
ing the slopes of Monte Rasca, Monte
Interrotto and Monte Mosching. In
addition they have reached the Cal-
tamara Valley, having carried the
tensive position of Monte Colomba.

ROMANIAN FOOD RIOTS

**Four Killed in Fight With Police at
Galatz.**
A despatch from Amsterdam says—
According to Bucharest despatches
in German newspapers, food riots
in Romania have become more
violent. A demonstration
against the high cost
of living. The despatches add that
the workmen of Galatz declared a
general strike Sunday, owing to the
authorities having prohibited meetings
and demonstrations in protest against
the high cost of living.

**SPLENDID BRITISH GIFT
TO CANADIAN SOLDIERS**

A despatch from London says—
Princess Louise, Duchess of Argyll,
presented a silk Union Jack and a sil-
ver shield to the General Officer Com-
manding the Canadian forces on Satur-
day. The colors and shield are the
gift of women and children in the
United Kingdom and will remain at
Shorncliffe until the close of the war,
when they will be taken to Canada.
A souvenir, in commemoration of Lord
Kitchener, was also given to each dis-
abled soldier.

**QUEEN VICTORIA OF SWEDEN
HAD A NARROW ESCAPE**

A despatch from Berlin says—
Queen Victoria of Sweden, sister of
Duke Friedrich II. of Baden,
was at the Castle in Karlsruhe during
the recent French air raid on that
German city, when 110 persons were
killed by bombs, says an Overseas
News Agency despatch from Karls-
ruhe. She escaped harm, however, as
on the occasion of the previous raid,
when she also was in the city.

**IRISH OUTLOOK
IS MORE HOPEFUL**

A despatch from London says—
The Irish outlook generally is more
hopeful. The Daily Mail predicts an
amicable settlement. The Daily
Chronicle, on the other hand, says that
Lord Lansdowne, Minister without
portfolio, and Walter Long, president
of the local Government Board, have
resigned. Some other papers say that
he has resigned from the Cabinet
at Lord Salborne.

**GERMAN PAPER PAYS TRIBUTE
TO CANADIAN GALLANTRY**

**One General and Several Officers, It Says, Preferred Death to
Surrender.**
A despatch from London says—
The Cologne Volkzeitung, describing
the gallant stand made by the Cana-
dians at Ypres at the beginning of
the month, says many of them made
an obstinate resistance, preferring to
be killed rather than surrender. One
general and several officers who re-

**LOST STRIPES,

**German Socialist Dismissed
From Army and Given
Thirty Months.**
A despatch from Berlin says—
Dr. Karl Liebknecht, the Socialist leader,
was sentenced on Wednesday to thirty
months penal servitude and dismissal
from the army for attempted high
treason, gross insubordination and re-
sistance to the authorities. The court
adopted the view that Dr. Liebknecht
was guided by fanaticism and not by
unpatriotic feeling, and therefore im-
posed the lowest penalty on him.
Dr. Liebknecht is entitled to appeal
from the sentence.

2,500 WOMEN IN INDUSTRY.

Increase in
British Female Labor
Difficult.

This fresh industrial revolution has
brought with it new problems and the
Women's Labor League is doing good
service in imitating systematic in-
quiry and discussion upon them. One
speaker at the opening conference in
London hazarded the prediction that
at least 2,000,000 men now in the
army must be regarded as lost to in-
dustry, since they would be either in-
capacitated or would refuse to go back
to their old occupations.
Nevertheless the labor world will
be confronted with the necessity of
adjusting its whole basis and policy
to the new conditions. It is clear that
the woman worker cannot be exclud-
ed wholesale, neither can she be ex-
ploited for the benefit of unscrupulous
employers, but before the matter can
be equitably adjusted there will be
trouble.
Meantime the Women's Labor
League has started a series of con-
ferences in an endeavor to settle the
question that the workingman is
thinking hardest about—the future of
the women who have been drafted
into industry to take the place of men,
and the effect on men's wages and the
general standard of living.

**TURKS DRIVEN BACK
IN BAGDAD DIRECTION**

A despatch from Petrograd says—
The Russians continue to make progress
in the Caucasus. "South of
Lake Urumiah we pushed back the
Turks from the region of Bann toward
the Turco-Persian frontier. In the
direction of Bagdad we have defeated
the Turks, driving them toward the
fortified region of Kalavstrahine."

**KITCHEN REFUSE
FOR GERMAN COWS**

A despatch from Amsterdam says—
German newspapers received here
contain an order of the Federal Council
compelling towns and communities
exceeding 40,000 inhabitants to collect
kitchen refuse from all households.
The refuse is to be sent to a Govern-
ment factory; there to be converted
into condensed food for milk cows.

Better.

Let it be said, once for all, that it is
better for both body and soul to be
obliged to go hungry sometimes than
to be full always; it is wholesomer to
be weary frequently from hard work
than to keep on a dext level of com-
fort, or to know weariness only from
the spinning dance and the daily
pleasure; it is cleaner to be dusty
and bathed in the blood and sweat
of battle than to be so sheltered as
not to know the meaning of hand-to-
hand conflict with a real problem or
fierce temptation; it is grander to
break the shackles of exclusiveness
and walk free in the dingy city of
social unpopularity, than to be the
idol of men and women who do not
count for, but rather against, the pro-
gress of the race.—Bishop Beant.
