TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and double in families than all other causes combined together. In the latter part of September and October, when the atmosphere everywhere is poisoned from miasma, arising from stagnant pools and decaying vegetation, whole families are taken down by that great Enemy, Fever and Ague, and other diseases, all caused by a disordered state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness—none would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, Loss of appetite, bitter taste in the mouth, yellow tint of the skin, laughing, costiveness, or other symptoms of a similar nature. Almost every person at this season of the year is more or less troubled with one or both of these dangerous disorders, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-Coated Forest Pills are sufficient to relieve a whole family from bilious attacks and sickness from six months to a year. A single dose, from 1 to 3, of these mild and excellent Pills for a child, from 3 to 4 for an adult, and from 5 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks and many other disorders.

SALTS AND CASTOR OIL.

No evidence can be placed on file of Castor Oil, or Epsom Salts, ever having, in a single instance, gone all within a hundred of the bile, leaving the bowels costive and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and carry off morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, mind clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the stomach, liver, Kidneys, &c., which secrete the fluids of the body and separate the particles from the blood. While they purge all bilious and morbid matter from the stomach and bowels they cleanse and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They cost but one trifling penny per dose, and purchased in the case of disease less
