Interesting Historical Work Has Been Done in Connection With Design.

The drawing of the new Seal which has been prepared by the Brant Historical Society is now ready for presentation to the Warden and Council of the County of Brant. At a recent was asked to report on his list of primeeting the design submitted by the Society was approved by the Council, and a committee consisting of Warden A. Kendrick and Councillors J. pointed to meet the Society.

The historical work in connection of a committee under the able chairassisted by Major H. Leonard, cura-tor; Major G. Smith, Indian Supt.; worth, Halton and Brant, and because having no shield (a landscape), it was Mr. Passmore, present president, and of the Society, the committee receiving the assistance of Mr. A. E. Watts,

aldry, of Toronto. will be presented to the county has History of the Six Nations Indians. been painted by Mr. A. H. Howard,

5.41 ness, has been kept simple in design. It consists of a shield, crest and motto. In the shield an Indian in full accoutrement, with tomahawk and 4.26 gold background by the side of waves 6.15 azure. In the vert of the shield is a 4.50 standing upon "two pieces of wood ed so far as I am concerned." 70.00 bound tightly together." The motto 50.00 is "Fidelilas et Industria." The shield, 70.00 crest and motto is encircled by a band papers in connection with his account bearing the inscription "Corporation 7.75 of the County of Brant, Ontario 1853." The whole is intended to rep-

industrially. Historically.-At the close of the Revolutionary War, the British Gov- in the interests of justice there should ernment gave large grants of land to be no desire to force counsel at this the U.E.L. and their families. Of stage to hold night sessions. 9.70 these the Six Nations Indians reon each side of the Ouse (Grand) River, where their historic Chief chose what is now Brant County for their home.
