It's charged with the cross of St Andrew.
Which of old Scotland's beroes has led;
It carries the cross of St Patrick,
For which Ireland's braves have bled.

Joined with these on our own English ensign, St George's red cross on white field; 'Round which from King Richard to

Wolsley, Britons conquer or die, but ne'er yield.

It flutters triumphant o'er ocean,
As free as the wind and the wave;
And bondsmen from shackles unloosene
'Neath its shadow no longer a slave.

It floats over Cyprus and Malta, Over Canada, the Indies, Hong Kong; And Briton's where'er the flag's flying, Claim the rights which to Britons be-long.

We hoist it to show our devotion To our Queen, our country and laws
It's the outward and visible emblem
Of advancement and liberty's cause.

days of childhood. What a boon! what a delight then was a snow storm! For it meant moonlight rides over the trozen snow down the steep hillsides on the old hand-sled. There was no tobogganing in those old days so far back. There was the long twenty mile sleigh ride, tucked up under the warm blank ets and overcosts, with father and mother and Bill could not see; then she brought a glass of water, and told me to take my dose and blushes and protests incompetency when it is asked to play.

"The dose tasted like a ball of dust, and as it was going down I felt a sharp."

The "Royal." Flavoring Extracts their names, but are coats, with lather and mother and Bill and Joe and Hat, all stowed in the bottom of the old red sled, with bricks and footstones to keep warm going to grand parties. Oh, those were joyous times and joyous days! But the first snow storm meant all this; after all the blanching days of frost preceding, when the winds blew a terrific gale and drove the sharp needles of the keen-edged steel over all the water courses and planted.

"The dose tasted like a ball of dust, and as it was going down I felt a sharp pain in my throat, as if it had been scratched.

"The next morning Mrs Dennis brought a little box and showed me her medicine. It was a big, hairy, black spider, alive, and the mate to the one I had swall owed the day before."

The medicine this gentleman took for opponents of the prize ring in Engthe sharp needles of the keen-edged steel over all the water courses, and planted arrows in the rim of every pond, that soon the night sheeted over; bleached the meadows and crisped and sharpened the day before.

The medicine this gentleman took for malaria may have been effective, but few would care to try the remedy. Nor is meant forbidding the publication in newspapers of prize fight reports. the meadows and crisped and sharpened the meadows and crisped and tore the branches of the tree exposed to its med fury, it came. How the bree limbs that head long since given the last treasured leaf to the wrenching grasp chicked for mercy, beggared and shivering in the cold! How brightly the house fire burns, and the rime thickens on the pone! The home is secure and the midnight tempest how so ver the hills and breaks afar off, losing its hold for an instant, to begin sgain fereor than ever Them the drop fell. The bush and lingerme. The poor whipped trees that has sighed and meaned and writhed, battling with the monster, were silent and bushed. Awe-struck, with a stillness akin to death, they stretched out their protecting arms over the shrouded earth in calmness beneath a sky most portentious in the reads. Still and noiseless are all the woodlands and lonely trees standing in an atmosphere as solid as it is fall of values. The people who live in malarious localities.

The shipments of deals, etc., from Nova Scotia to trans-Atlantic ports during 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft., as compared with 87,280,123 and, for 1828 pagerested 82,959,586 sup ft woodlands and lonely trees standing in an atmosphere as solid as it is full of voice, with an edge as keen and blue as steel. The lazy steam car of the morning train winds out of the depot and glides off in the distance with its superflumeraries, like a thief cluding pursuit, the system, if the liver and kidneys are then the heady ariety of foamy the large snake-like current of foamy the liver and kidneys are then the liver and kidneys are the system, if the liver and kidneys are the Northern part of Japan has a climate about as cold as the Ottawa Valley. movements and sounds appear. The n't take another dose of that medicine car so long attuned to the cry of the to save my life."
