De turkeys all roost dreful high,
All on accoun' o' McKinley;
An' de moon sails up in de cloudless sky
All on accoun' o' McKinley;
De fence am 'way up above my head,
An' de dog bite's if he had'n been fed,
While de tomeat yells from de top ob d
she'd,
All on accoun' o' McKinley.

De carpets am a-goin' to come up ne

apring,

All on accoun' o' McKinley;

An' de tenors mus' a note higher sing,

All on accoun' o' McKinley;

De waters in all ob de ribbers will rise,

An' bread will sometime be plentier pies,
An' Susie Ann here'll be taller an' Lize
All on accoun' e' McKinley.

Unmeaning Honors.

when it hears of the purchase of a title and a husband by some American widow, or by some American father, for a daughter whose happiness and it may be salvation, he sacrifices without compulsion at the altar of a most peurile ambition. It is fortunate, however, that the parties to those bargains occupy but little space in the world, and at their immolation there are few mourners.

It is the brainless dude who apes the evil customs and manners of a foreign country, because he feels that in the race of life where mind is the only guarantee.

If matrimony did not involve increased the title of customs and expenses, love would last long tent and expenses, love would last long tent and expenses, love would last long.

If all our millionaires were in the true sense of the word honest, we could count them off on one hand.

If you have brains and no money, pat yourself heartily on the back day and might. It is all the recognition you will get in this world.

If all men married their first loves the demand for lunatic asylums would be appalling.

If all men married their first loves the demand for lunatic asylums would be an angel of a cross baby.

Norton's Magic Liniment freely.

It is queer about society, the minute am angets into it he expects to get asked out.

Bronchitis, catarrh, asthma vanish before the magic power of Johnson's Auo dyne Liniment freely.

It is queer about society, the minute am angets into it he expects to get asked out.

Bronchitis, catarrh, asthma vanish before the magic power of Johnson's Auo dyne Liniment freely. The world is apt to smile derisively Chicago.

The world is apt to smile derisively Chicago.

If matrimony did not involve increased of the purchase of a title

country, because he feels that in the race appalling of life where mind is the only guarantee of any real success, he is hamstrung by his best friends he would have no friends stupidity and crippled by the density of at all, for he would soon lose every dol.

Norton's Magic Limiment requires no puffing, as one trial will convince you that it is far superior to any other sold in this Province. his intellect. It is often the case acress lar ly acquire great wealth, which, they im-agine will unlock every door and make them welcome wherever they may choose them welcome wherever they may choose to present themselves. Three or four hundred years ago there was an aristoc racy of muscle; a hundred years ago, on this continent, there was an arisrocracy ped to a stiff froth, thicken with pulver of money, but both have been supplanted ized sugar; flavor with lemon. by an aristocracy of mind. The the should prove that the control of neither gold nor brass. As the next spoons grated chocolate the best thing some decayed duke, character best thing some decayed duke. best thing some decayed duke, characterdescend from father to son, there should with socosnut descend from father to son, there should with occount.

not be many a titled scapegrace; and Cheam Pig.—Bix eggs, one pound more singular, if, where titles can be flour, one half pound sugar, one half bought for a few pounds, as in France, pound butter, two—tesspoons baking Why, in our church they never go to gramany and Italy, there should not be many titled secondrels. There was a flavor with lemon, cream the butter and the condition of the provided was to the second description.

Little Busic—We have had a great award in the Busic—Busic — Busic time, no donts, when to be titled was to be distinguished, but even then it is like siz. to the public after its merits for the positive cure of such diseases hat been fully tested. It excites expectoration and causes the Lungs to throw off the philegm or mucus; changes to throw off the philegm or mucus; changes to throw off the philegm or mucus; changes action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to breek up the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and its warranted to be perfectly harmless to the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and its warranted to be perfectly harmless to the most distressing cough in a few hours' time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the 'ungs, Allan's LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The as-cent bottles are put out to a nawer-the constant call for a Good and Low-Priced Cough Curs.

If you have not tried the Balsam, call for a as-cent bottle to test it.

Killing the Soul.

A man was tried in a criminal court of a western town not long ago on the charge of poisining his children. One of them had died ; the others were enfeebled for life. The poison, it was alleged, had not been given all at ones, but in small doses mixed with their food during a long per

man was an ignorant drunkard who had inherited a cruel, cold tempment; but his neighbors could not convinced of his guilt by any proof, terrible and unnatural was the crime.
That a father should alowly kill the bodies of his shildren, and watch them waste away through months and years, un-moved, seemed to them incredible.

Yet do parents never kill the minds and souls of their children by such slow inexorable poison?

words and habits, gives to his sons a love for brutal sports, or for stimulants what is he doing ?

The man who, in the same way, gives to his boys a cynical, sneering temper, who teaches them to laugh at honesty, at the purity of women, and, more than alloat religion, is he less guilty than the murderer who poisons the bodies of his cuild. Is the mother innocent of murder, wi

debases the child's soul by incessant petty deses of vanity? That soul might re-ceive thoughts as broad as charity, and as high as heaven; it might be filled with love and truth and clod himself. It be-comes included a charity and as comes, instead, a shrine for new gowns o candalous gossip. "Thou shalt not murder," was not meant only for those who kill the body
