for its magical soothing power over pain and sores. Mothers praise Zam-Buk for its wide range of usefulness and absolute reliability. With this pure herbal Zam-Buk always handy, you're ready prepared for any skin trouble or injury.

The bittersweet youngsters are always getting cuts, scrapes, and bruises that need Zam-Buk's instant attention. The same with the burns and scalds that happen about the house. Then Zam-Buk has remarkable disease-dissolving power that makes it invaluable for the skin and scalp diseases that children contract from playmates. Scores of other ways Zam-Buk's antiseptic healing saves anxiety and doctor's bills.

"My little three-year-old girl suffered severely from scalp eczema," writes Mrs. A. Giedke, of 485, Amburst St., Montreal. "It defied everything until we began to use Zam-Buk. This healer quickly reduced the inflammation and irritation and gave the child great ease. In less than a fortnight from first commencing with Zam-Buk, the disgusting disease was completely cleared away."

PRESERVING THE TOWN'S MORALS

Mr. Editor: I should like with your permission to say a word in The Observer with regard to the opening up of another pool room or bowling alley in this town. We had far better go without the revenue derived from a license of these places, of iniquity which are destroying our young men and boys and fostering leanness and vice.

What a beautiful thing if our town fathers would see the importance of closing the present place and refuse to grant license to another—and thus release the town of the stigma attached to such a condition of affairs.

I hope the conscience of the town will awake to the enormity of the present condition of things in connection, and preserve this town which has been the subject of so much prayer and intercession all the years of the past, from the ravages of sin and the devil.
