## FIRE DEPARTMENT IS ALWAYS READY

Its Motto If Preparedness Should Be Applied to Protection of Public Health.

"There hasn't been a fire in the city for months," said a citizen the other day. "It seems a waste of money to keep up a fire department that does nothing."

"We don't disband the fire department because we have a run of luck," replied a ratepayer. "It pays to have those firemen ready, whether they are doing anything or not."

And the ratepayer spoke wisely. A fire department is an illustration of the principle of preparedness. It's protection, pure and simple—something no modern city or town can do without.

Just as firemen stand ready to protect your property, so Grip Fix stands ready to protect your health.

For over 10 years it has been an unexcelled treatment for colds. A box in the house means protection against the common and troublesome cold in the head and may head off an attack of the flu. It is a combination of drugs such as your physician would use and contains nothing of a harmful nature. In capsule form it is something which gives relief to a cold in a night and works quickly in a case of Grippe.

Get a box of Grip Fix today. Then you'll be prepared should a cold come. You can get it at 35 cents per box. On sale at all drug stores. (9dvt.)

AVIATION IS MAKING  
VERY RAPID STRIDES  
Toronto, Dec. 29.—"Flying is coming on fast; it is safe and it is a great pleasure," said Lieut.-Col. W. B. Barker, V.C., in concluding an address on aviation at the weekly luncheon of the Rotary Club of Toronto.

Colonel Barker described the work of squadrons of the air force in the war in spy-dropping as showing its usefulness and safety, and he outlined the progress in commercial aviation since the conclusion of the war.

Since the armistice, private and commercial aviation had grown rapidly, he continued. At Toronto about 500 machines have been sold for such purposes.

## SHOOTING AFFRAY IN PHOENIX PARK

A Military Officer And a Civilian Were Killed in What is Believed to Have been Attack on the Vice-Regal Residence of Lord French.

Dublin, Dec. 29.—Details of Sunday's shooting affray near the Vice-Regal Lodge in Phoenix Park were given to-day at the inquest over the body of Lieut. Boast, an officer of the guard, who was killed at the same time that a civilian found in the park was shot. The firing led to the belief in some quarters last night that an attack was being made against the Lodge, the residence of Lord French, the Viceroy against whose life an attempt was made last week.

Evidence given at the inquest by two soldiers of the guard showed that at 3 o'clock on Sunday morning they, with Lieut. Boast, left the Vice-Regal Lodge and went on patrol down the road, where they saw a man crossing the grass. When they challenged the man he refused to reply and they rushed him. Shots were fired and the Lieutenant collapsed.

The corporal of the guard, it was testified, fired at the civilian, who fell.

The soldiers swore they saw six civilians, who fired the shots that brought down the Lieutenant. They fired at the civilians, but the latter disappeared.

The dead civilian was identified as Laurence Kennedy, a baker's laborer. It was said that Kennedy was a discharged soldier, who on Saturday night had left Stevedore Hospital, where he had received treatment for injuries which he declared he had sustained from some soldiers in the Dublin barracks.

DOMINION THEATRE  
Fatty Arbuckle has his old partners Buster Keaton and Al St. John back with him again in "Back Stage" now showing at the Dominion and the result is one of the funniest comedies in which these three fun-makers have ever appeared. "The Third Kiss" with Vivian Martin has scored a hit and the Town Topics is both interesting and timely. A fine programme. Try to see it.
