HERBINE BITTERS**

Blotched, sallow, unwholesome and itchy skin with its consequent mortification, often leading to morbid seclusion, shows that your blood is bad. The only way to clear the complexion and restore it to its normal healthy condition is to clean out the entire system by removing the cause of the impure blood. "Herbine Bitters does it," working gently and painlessly and at the same time acting as a tonic to the whole system, building it up, not weakening and irritating it as other medicines do.

BURTT'S CORNER

BURTT'S CORNER, May 23.—At the present writing we are enjoying one of the brightest and warmest days of the season, after the recent showers, the warm sun cooperating with nature's urgent request enters into the work of reanimating and beautifying its every department.

We anticipate that the coming week will be the most busy week of the season for the farmers; already a great deal of work has been done along this line, but there remains much more to be done.

Amid the pleasing prospects connected with this season of the year there are the sorrowful peculiarities of the way. It is our sad duty to record the death of Mr. Miles White, of Keswick Ridge. Mr. White has been in failing health for a long time, but still against the ravages of the dread and deceiving disease consumption. He passed away on the morning of the 19th in the 40th year of his age. He was a member of the C. O. F. and was buried under the auspices of Court Bright, Burtt's Corner. The funeral sermon was preached by Rev. J. B. Young. Mr. White leaves a widow and four children and a wide circle of friends. He passed away trusting in the merits of Christ.

The remains of Mr. Hartley Smith, son of Mr. Benjamin Smith of Dorin Ridge was brought home for interment on the evening of the 21st. The funeral took place on Wednesday the 21st at 3 p.m., at Dorin Ridge. The occasion was a solemn and impressive one, the service was conducted by Rev. H. E. Cooke; the funeral sermon was preached from James 4:11, for what is your life.

It will be remembered that Mr. Hartley Smith was reported missing late last fall. He had been working at the lumber business near Hartland, Maine, and started to return home, and it is supposed he was forced to leave the road connecting the camp and the nearest station by the freshet and in his endeavor to reach his destination, became exhausted and died from exposure to cold and hunger. We extend our heartfelt sympathy to the sorrowing parents and family.

Miss Rye Anderson, of Fredericton, was recently visiting Mrs. Beverly Lawrence. She returned to the city on the evening of the 21st.

Mr. R. W. Pilon, representing the firm of W. H. Thorne & Co., of St. John, was at the Corner on Wednesday of this week.

Rev. F. C. Hartley and Mrs. Hartley of Fredericton, accompanied by their friends spent the better part of Monday, the 19th, fishing on the Forks river. We are sorry we cannot report the success that attended the excursion.

Miss Ella Allen left recently to visit friends in St. John.

Miss Laura Staples left on Monday for Lewiston, Me.

Miss Lillian Brewer returned home from the United States on the 19th. Miss Brewer is enjoying good health, and we are glad to welcome her home again.

Council Tyro of R. T. O. T. convened on Thursday evening and five new members were initiated.

Mrs. Edwood Burt is visiting friends in the city and we are glad to say that Mrs. Burt's health is somewhat improved.

Miss Mina Gordon, of Springfield, is the guest of Mr. and Mrs. Thomas Allen.

Mrs. William Roberts, of Fredericton, was recently visiting her parents, Mr. and Mrs. Squire Fowler.

A Delicious Breakfast Dish For Summer.

Malt Breakfast Food
Popular in City and Country.

As a summer breakfast dish Malt Breakfast Food is unquestionably the best thing you can eat in any of our climates. It is free from all irritating, heating and hard to digest qualities peculiar to oatmeal and other grain breakfast foods. A breakfast of Malt Breakfast Food will give more strength, energy and vigor than any other form of food can afford.

A prominent Toronto gentleman writes as follows: "Last summer to avoid the city heat and dust, we secured comfortable quarters in the Muskoka district. Our regular morning meal was Malt Breakfast Food, and quite often we were very tired after a long day's work. My children were delighted with it and thoroughly relished it. We use it every morning in our city home and will have no other while we can get Malt Breakfast Food." Your Grocer can supply you.

Little turnover lace or embroidered collars are popular for wear over satin or silk neck ribbons.

Intestinal Indigestion

There are forms of indigestion and dyspepsia which can never be reached by ordinary stomach medicines and so-called digestants. The kidneys and liver are involved, and though the stomach may be all right, it is the part of digestion which takes place in the intestines that is imperfect.

All over the country are people who are suffering from just this kind of indigestion. They don't get well, because they don't use the right medicine. Dr. Chase's Kidney-Liver Pills are admirably suited for the very trouble. They act directly on the kidneys, liver and bowels, remove the cause, and make a permanent cure of intestinal indigestion, backache, and diseases of the filtering and excretory organs.

Dr. Chase's Kidney-Liver Pills are vegetable in composition, and remarkably prompt and effective in action. They are kept in thousands of homes as a standard medicine, and have proven by years of trial to be without a rival. One pill a dose, 25 cents a box. At all dealers, or Edmondson, Bates & Co., Toronto.
