Pretty Mary Allen was waiting down at the garden gate, their usual trysting place. The smiling light faded from her eyes as she noticed his sober, discomited look.

'Father means well,' she said, as Luke told her the result of his application.

'And I am not sure but that he is about right,' he resumed, after a thoughtful pause, 'for it seems to me that every man, be he rich or poor, eight to have some occupation.'

Then, as she noticed her lover's grave look, she added, softly:

'Never mind, I will wait for you, Luke.'

Lishe Johnson suddenly disappeared from his accustomed haunts, much to the surprise of his gay as sociates. But wherever he went, he carried with hum in his exilic these words, and which were like a tower of strength to his soul, 'I'll wait for you, Luke.'

One pleasant sunshiny morning, late in October, as farmer Allen was propping up the grape-vine in his front yard, that threatened to break down with the weight of its laxurious burden, a neat looking cart drove up, from which Luke Johnson alighted with a quiet classific spring, quite in contrast to his former leisurely movements.

DOCTOR. Holloway's Pills.

THIS great household Medicine ranks among the leading necessaries of life. It is well known to the world that it cures many complaints other remedies cannot reach, the act is as well established as that the cus lights the world.

Disorders of the Liver and Stomach.

Most persons will, at some period of their lives, suffer from indigestion, derangenient of the liver, stomach or bowels, which if not quickly removed, frequenty settle into a dangerous illness. It is well known in India, and other tropical climates, that Holloway's Pills are the only remedy that can be relied on in such cases. Almost every soldier abroad carries a box of them in his knapsack. In England most persons know that these Pills will cure them whenever the liver, stomach or bowels are out of order, and that they need no physician.

persons know that them the persons the week of the persons the week of the persons and peblitty.

Such as suffer from weakness, or debility, and those who cel want of energy, should at once have recourse to those Pills, as tacy immediately purify the blood, and acting upon the main-apring of life, give strength and vigor to the system To young persons entering into womanhood, with a-derange mant of the functions, and to mothers at the turn of life these c'ills will be most efficacious in correcting the tide of life that may be on the turn. Young and elderly men suffer in a similar maneer at the same periods, when there is always danger; they should therefore undergo a course of his purifying medicine, which insures lasting health.

Disorders of Childen.

Disorders of Childen.

If these Pills be used according to the printed direction and the intenent rubbed over the region of the kidneys, at least once a day as salt is forced into meat, it will penetrat the kidneys and correct any derangement of their organa. Should the affliction be stone or gravel, then the Ointment should be rubbed into the neck of the blakder, and a few days will convince the sufferer that the effect of these two re medies is astonishing.

days will convince the sufferer that the effect of these two re medies is astonishing.

Disordes of the Stomach

Are the sources of the deadliest maladies. Their effect is to vitiate all the fluids of the body, and to send a poisoned stream through all the channels of circulation. Now what is the operation of the Pills? They cleanse the bowels, are gulate the liver, bring the relaxed or irritated stomach into a natural condition, and acting through the secretive organs upon the blood itself, change the state of the system free sickness to health, by exercising a simultaneous and wholsome effect upon all its parts and functions

Complaints of Fomales.

The functional irregularities peculiar to the weaker sex are invariably corrected without pain or inconvenience by the use of Holloway's Pills. They are the safest and sarest medicine for all diseases incidental to females of all ages.

Bilious Affections.

All young children should have administered to them, from time to time, a few doses of these Pills, which will purify their blood, and enable them to pass safely through the different disorders incidental to children, such as measies, heoping-cough, cowpock, and other infantile diseases. These Pills are so harmless in their nature as not to injure the most delicate constitution, and are therefore more poculiarly adapted as corrective of the humors affecting them.

Dropsey.

Hundreds are cured yearly by the use of these Pills conjointly with the Ointment, which should be rubbed very benutifully into the parts affected.
