

HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well. My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 5th St., N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal.

If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years experience is at your service.

A Nervous Breakdown

When the Blood is out of Order the Nerves are in a Starved Condition

The nervo system is the governing system of the whole body, controlling the heart, lungs, digestion and brain; so it is not surprising that nervous disturbances should cause acute distress. The first stages of nervous debility are not noticed by irritability and restlessness, in which the victims seem to be oppressed by their nerves. The matter requires immediate attention, for nothing but suitable treatment will prevent a complete breakdown. The victim, however, need not despair for even severe nervous disorders may be cured by improving the condition of the blood. It is because Dr. Williams' Pink Pills actually make new, rich blood that this medicine has cured extreme nervous disorders after all other treatment had failed. The nerves thrive on the new blood made by these pills; the appetite improves, digestion is better, sleeplessness no longer troubles the former nerve-shattered victim, and life generally takes on a cheerful aspect. Every sufferer from nerve troubles, no matter how slight, should lose no time in giving Dr. Williams' Pink Pills a fair trial, thus regaining their old-time health and comfort. Mrs. Victor Booth, Parry Sound, Ont., offers proof of the value of Dr. Williams' Pink Pills in nervous troubles. She says: "Some years ago I was taken ill with typhoid fever. The attack was not a severe one and after a few weeks I was around again. But I did not recover my former strength, and my nerves began to give me trouble. The trouble went on from one stage to another until finally St. Vitus' dance developed. I was under the care of our family physician but my condition appeared to be growing worse. It was at this stage I decided to try Dr. Williams' Pink Pills, and after taking a couple of boxes I could see they were helping me. I continued taking the pills until I had used eight boxes when my health was fully restored, and I have since continued to enjoy that blessing. I have recommended the pills to others and I always keep them in the house, having proved their great value." You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

GOT LIQUOR ON THE TRAIN
One day last week Indian Police-man William Barnaby of Eel Ground Reserve arrested an Indian for drunkenness and brought him before Judge J. R. Lawlor. The prisoner confessed that he got the liquor from another Eel Ground Indian, who had stolen it from a third Indian who had purchased it from a bottle on the train between here and Campbellton from a white man coming from Montreal who had liquor in his suitcase. The Indian informed on being assigned and sent.

At the Chatham Methodist District meeting at Millerton last week Mr. I. F. Curtis, of Newfoundland who has supplied the Methodist pulpit at Tabusintac the past year, was, after oral examination by the District, recommended for Ordination.

Mr. H. C. Upton, who has been preaching at New Bandon two years, was recommended for College.

Mr. A. E. Tingley, who is taking a course in Theology in Boston School of Theology was given leave of absence another year.

A resolution was sent to Conference asking that a committee be appointed to act with the committee of the Miramichi Presbytery to look into and report upon the possibility of greater co-operation between the Presbytery and Methodist bodies in certain charges on the North Shore, for instance Harcourt, Buctouche, Richibucto, Rexton, New Bandon.

It was recommended that one-half the members of the Conference Stationing Committee be Laymen.

Every Farmer Needs a Ford

THE Motor Car is a greater convenience to the average farmer than the telephone, the rural mail or even the grain binder.

The binder which is considered as a very useful implement is rarely used more than a few days during the entire year. The rest of the time it stands idle, taking up space, while the automobile is available for use throughout all seasons, and both day and night.

It is ever ready to run down the lane to the back field or the pasture with a parcel or a message, or take you and your family to town for shopping purposes—or on an errand to the neighbors.

The motor car is called upon whenever anything is wanted in a hurry. It is the most useful implement or convenience for the farm. It helps you conserve your energies and time for productive work and enables you and your family to accomplish more with less energy. You surely feel the need of a Ford. Why not order one today?
