THEY ARE ALL EXPECTING THEM

Intense Excitement Prevails among the many Newfoundlanders SCATTERED OVER DIFFERENT PARTS OF THE WORLD IN ANTICIPATION OF THE RECEIPTION OF THE NEWFOUNDLAND ALMANAC for 1888. The excitement is increasing every day, and the demand for the work is becoming so great that the publishers are obliged to send it out as fast as it can be prepared. Every man, woman and child in distant countries that don't receive one or more of these cards will be terribly disappointed. Send them to you like, but don't fail to add their hearts by happy hours and HOME SWEET HOME.

To our already large stock of views, we have added, this past summer, 400 new negatives. To annunciate all would occupy too much space, but the views in Bay of Islands, on the Humber River, Bay St. George, Little River, Five Bay, Bona Vista, &c., &c., have only to be seen to be appreciated, at 310 WATER STREET, AND 115 DUCKWORTH STREET, EAST.
