EXPLOITS OF ELAINE LARGELY ATTENDED.

The Exploits of Elaine and other
charming pictures drew large audi-
ences to the Nickel Theatre yesterday
afternoon and last evening. This
great serial which is by far the most
exciting ever shown at this popular
theatre has attracted the interest of
all movie patrons and they are fol-
lowing all the chapters with interest.
"The Sands of Time"—a powerful
social drama also afforded pleasure
to all. The other pictures were high
class. To-day the programme will be
repeated and judging by the success
of yesterday it should draw large au-
diences. All during the season of
Lent the profits at the Nickel will be
given to the two charitable organiza-
tions of the city.

BRITISH THEATRE.

The holiday programme at the
above theatre yesterday was a strictly
high-class one, and thoroughly en-
joyable selection of photo-plays, and
patrons were unending in their praise
of the show. "The Animated Hour"
was superbly acted by Wm. J. Walsh,
Violet Mersereau and Wm. Shay, in
the principal roles. This beautiful
story lays bare the soul of a man who
is condemned to death. "The Black
Box," of which the 9th episode was
shown was better than ever and elicit-
ed high praise from all. It is full
of lively and snappy situations, and
keeps the audience guessing. Billie
Hitchie, the great American comedian
appeared in a mirth-provoking farce
comedy that kept the audience in good
humor from start to finish. This par-
ticularly strong programme should
make another hit with theatre goers
to-night when it will be repeated.

BAGGAGEMAN INJURED.

Baggageman R. C. Cleary who went out
on Sunday's express, met with a nasty
accident, having twisted his leg at the
hip causing some pain. He was trans-
ferred to the incoming express at
Little River, and on reaching the city
was driven to his home.

MERGLE AT PLACENTIA.

The S. S. Meigle reached Placentia yester-
day at noon, not being able to en-
ter the harbor for two days owing to
heavy slob ice.

Lady Davidson at Grand Falls.

GRAND FALLS, Yesterday.

Dr. Lloyd
Secretary Recruiting Committee.
Lady Davidson delivered a very
interesting address at a meeting of
the Women's Patriotic Association in
the Court House this forenoon. Being
introduced by Miss Collins, Vice-
President of the Association, who ex-
pressed regret at the unavoidable ab-
sence of the President, Mrs. Scott. A
vote of thanks, proposed by Mrs.
Cooper and seconded by Mrs. Pike,
carried by acclamation, responded to
by Lady Davidson who then examined
the work of the work of this Asso-
ciation. The National Anthem closed
the meeting.

Bell Island Curlers Visit City.

The Bell Island curlers arrived by
train from Kelligrews yesterday af-
ternoon and were met at the station
by Mr. Satter, the Secretary of the
St. John's Curling Association. After
luncheon they proceeded to the Curl-
ing Rink where the members of the
Curling Association were on hand to
receive and entertain them. Two
teams from the Iron Island took the
ice and played a brisk game with an
equal number from the Association.
At night two teams from the Island
played two teams of St. John's Cur-
lers, the Islanders doing remarkably
well considering the fact that some
of their players are new to the game.
The names of the visitors are: Dr. W.
L. Carnochan, President; D. J. Jack-
man, Vice-President; R. Proudfoot,
Secretary; A. G. Watson, Jas. Gillis-
pie, J. L. Mews, W. D. Burpee, F. F.
Bertheau, D. A. Fraser and C. B.
Archibald.

At the conclusion of the games an
enjoyable smoker took place in the
Association Rooms. St. John's Cur-
lers trust that this will be but one
of many visits from the Bell Island-
ers, as by friendly rivalry they
hope to increase the bonds of good
friendship that is found with Curlers
throughout the world.

BELOW THE STANDARD.

How do you feel to-day?
Not quite right? Energy a little be-
low standard—not strong enough to
make much exertion? perhaps a
slight cough?

Nyala's Cod Liver Compound is what
you need.

Don't get frightened about those
words "Cod Liver." You'd never know
it from the taste.

It's a real tonic containing cod liver
extract, extract of malt, wild cherry
and hypophosphites—a splendid com-
bination.

The cod liver extract builds you up
—so does the extract of malt. The
wild cherry soothes the bronchial
tract and the hypophosphites supply
phosphorus to the nervous system—
just the thing it needs.

And the taste is pleasant.

As an all round tonic, strength re-
storator and body-builder, you'll find
nothing better than Nyala's Cod Liver
Compound—so why look further?
You will be pleased.

The price is one dollar.

Amusements.

AT THE CRESCENT.

"Sophie and the Faker" is the com-
edy that the Crescent Picture Palace
is showing to-day, this is a very funny
film, one of the Essanays best com-
edies. "Man and His Master" is a
great Biograph drama produced in 2
reels, the story of a labor strike.
Three other pictures make up to-day's
big show. On to-morrow "The Money
Leeches," a two reel episode of the
Girl Detective Series will be the head-
liner.
