EDWIN MURRAY,

The woman who has a complexion that is naturally youthful and velvety is the envy of those who are not so fortunate. But a good or bad complexion usually indicates the amount of care you bestow on your skin. You cannot have a bright, clear skin unless you keep your skin clean—if you do not protect it from the ravages of cold winds and other enemies.

NYAL FACE CREAM

is a delightful preparation that will help you towards your aim of a beautiful complexion. It is pure, soothing and stimulating, giving a glow and pleasant sensation of health when applied to the skin. It helps nature overcome wrinkles, pimples, roughness and blotches and imparts that clear, velvety texture that you like to see and touch.

Price 25c. and 50c. a jar.

Tea is Still Advancing

*But We Intend to Protect
Our Customers as Long as Possible*

We notice the Canadian Press expresses the opinion that good tea may soon be a dollar a pound. This may appear rather pessimistic but it is not impossible, as at the moment there are a variety of reasons which contribute towards considerable advances in the price of tea.

We are to-day offering a MAGNIFICENT TEA in 1 lb. packets only, at

50c. per lb.

This is better than many teas offering at 60c. per pound, and on to-day's market quotations should be selling at 70c. per pound. This tea is being used by many of the best families in the city and has gained many encomiums.

We are also offering a SPLENDID TEA at

45c. per lb.

Both of these teas are specially put up by ourselves and are better value than can be obtained anywhere.

We shall be forced to advance our prices later or reduce the quality and we would sooner advance the price than reduce the quality. A word to the wise is sufficient.
