W. J. HERDER, Proprietor  
C. T. JAMES, Editor

Friday, November 7, 1919.

**Outside Doings.**

While the attention of all in Newfoundland has been focused during the past few weeks on the election campaign and its probable results, things in the outside world have not been at a standstill. Preparations are being hastened for the trial of those Austro-German officials who were guilty of the horrible atrocities that characterized the enemy's actions during the war period. While the clamour for the trial of the Kaiser and his co-partners in crime has subsided somewhat, there is still a large majority who favors the punishment of the now ex-ruler. Owing, however, to the many demands on the time of the Allies, and the different questions requiring immediate solution, it is difficult to say when the guilty ones will be arraigned before the bench of justice. The League of Nations' Covenant still continues to be a subject of much bitter controversy in the United States, although the Senate of that country is expected to ratify it in short, and the first meeting of the League of Nations has been decided to take place in Paris some time in the near future, the date of which is not definitely fixed.

The labor unrest still continues to be as acute as ever, and at present there is much discussion in the U. S. Senate over the proposed adoption of the eight hour day. According to public despatches, the subject is one that will take a long time to settle, but the result of the same will be keenly watched by all parties in all civilized countries especially in those countries where labor is organized and fighting for better conditions. The people of this country will unquestionably be interested in the outcome of this question. Among other things too, that strike us from the outside world, is the fact that the Germans, in spite of their treachery in the sinking of the ships at Scapa Flow, with the intention of defying the Allies, the Supreme Council has notified the Government of Germany that it must deliver up five cruisers and much other property as compensation for their treachery in breaking the terms of the armistice which they had previously signed. The indemnity to be paid to the Allies and especially to Britain, is of particular interest to us, as that indemnity is, according to Britain's ruling, to be partially spent in refunding the expenses of the war efforts of her colonies, of which Newfoundland claims thirty million dollars. These and many other questions affect us, and from now on will absorb more of our attention than during the exciting time now over.

**More Later.**

The Advocate is already telling imaginary doings of the election polling in order, as it says, to test the Telegram. We have no objection, neither have we any question whatever but that in the future we shall deal

as effectively with the Advocate's effusions as in the past. There is no need Brudder Advocate to fall back on the imagination for fairy tales. If you have the goods "toot it out." There is an old maxim saying "Don't hit a man when he's down," apparently the Advocate editor has forgotten it if we judge from the headline in the Duckworth Street organ of yesterday. Stone was defeated, but we have no doubt whatever in saying that he would rather be a good loser than a bad winner. As to why the Coakerites got such a good vote there are but few reasons, neither of which is because of the competency or capability of some of those elected.

**Police Court.**

A thirteen-year-old boy charged with the theft of two lady's coats, valued at \$37, and remanded a week ago, came up before the court again this morning. It came out that the boy, who was a messenger at Alex Scott's, had been given the coats to deliver at quarter to six in the afternoon and as it was dark and so late, he was afraid to turn up to work next day. The coats were subsequently stolen from the hiding place and when the police searched the place, as directed by the lad after his arrest, they were missing. The boy was ordered to pay for the coats or go to jail.

**Smallpox at Leading Ticks.**

The Board of Health authorities are in receipt of a message from Father Nolan, asking that a policeman, doctor be sent to Leading Ticks to enforce quarantine regulations, as it is feared there may be a serious outbreak of smallpox both in the east and west of that settlement if immediate precautions are not taken. The Board of Health has acted promptly and it is hoped, will have the outbreak nipped before it spreads.

**Towing Disabled Ship.**

The Deputy Minister of Customs has a message saying that the S. S. Ellenorah has the S. S. Anondale, with engine room and boiler in a very bad condition, in tow, and is endeavoring to make this port. The position of the ships is not given.

**McMurdo's Store News.**

FRIDAY, Nov. 7.  
Hands already troubling you? One doesn't wonder with these harsh, chilly, disagreeable winds—most people's hands do trouble them at this time of year. But some of them have taken the tip of using McMurdo's Peroxide Cream, and so quickly correct the trouble, by soothing the soreness and smoothing the roughness. The use of McMurdo's Peroxide Cream keeps the hands white too. Generous sized pot 40c.

Nyal's Creophos simply "can't be jammed" when it comes to keeping off attacks of cough, grip, flu, and bronchitis. The real tonic, cough and bronchitis remedy. Large bottles \$1.

**Double Bigamy Case.**

In the double bigamy case heard yesterday before Judge Morris, it transpired that the man, a native of Bay Roberts, in 1913 married a girl from Bell Island. They lived together for about six months, after the marriage and then separated; the girl going back to her former home. It is alleged that the man married a Bay Roberts woman in 1918, and during the pre-arranged spring the Bell Island woman, thinking she was free, married a man from Old Perlican. They have been sent up for trial before the Supreme Court.

**Wedding Bells.**

IVANY—WELLS.  
On Wednesday, October 29th, at 4 p.m., a very pretty wedding was solemnized at Britannia Meth. Church, when Miss Anna Ivany, eldest daughter of Mr. and Mrs. John Ivany, Britannia, was united in the holy bonds of matrimony to ex-Sergt. Pearce Wells, eldest son of Mr. and Mrs. John B. Wells, of Three Arms, N.D.B. The bride looked charming in a dress of cream satin and silk georgette crepe with white veil and orange blossoms and carried a bouquet of lilies of the valley and maiden hair fern. She entered the church leaning on the arm of her father and was supported by her sister Louise, and Miss Jessie Ivany, while the groom was supported by Mr. Richard Ivany, brother of the bride and Mr. Simon Ivany. After the ceremony which was performed by Rev. Theo. Pitcher, the bridal party drove to the home of the bride's parents where supper was served and a very enjoyable time was spent by all. Many and valuable presents were received and the bride, which testified to the custom in which she was held. The groom's present to the bride was a handsome travelling companion, and to the bridesmaids birthstone rings. After spending a few days with her parents the happy couple will proceed to Three Arms where they will spend the winter months. The many friends of Mr. and Mrs. Wells wish them a long and prosperous voyage over the sea of wedded life.

Another was sighted in Lat. 45.10 N., Long. 46.43 W. and growlers were also reported on the 5th in Lat. 47.44 N., Long. 48.37 W."

**Church Lads' Brigade.**

The 41st Battalion, C.L.B., including Field College Companies, paraded in full strength at 8.15 last evening at headquarters. At the Armoury Lt. Col. Goodridge with Adjutant Major Rendell, M.C., was in command. Rev. Capt. Clayton and the Battalion Chaplain, Rev. Jacob Brinton were also present for the opening ceremonies. We were all pleased to see Sergt. Ricketts, V.C., formerly of the Royal Nfld. Regiment, present in his official C.L.B. kit, helping by his example and influence to advance the interests of the lads. The Battalion was inspected by the Colonel commanding, and put through a series of physical exercises by Capt. J. A. Winter. On Sunday next at 8 a.m. the lads and officers will parade for Holy Communion service at the Cathedral. On Sunday afternoon the Battalion will parade at 2.15 to attend the 25th anniversary service of the C.L.B. in Newfoundland to be held at the Cathedral. On Tuesday evening the Brigade will parade at the Armoury at 7 o'clock sharp for a torchlight procession through the city and thence back to the Armoury where at 8 p.m. the Battalion will be given a tea by thirty lady friends of the Brigade who are providing a "standardize menu" tea. The Armoury will be open all Tuesday afternoon and night for these lady friends to arrange their tables. Honorary Colonels, Sir J. Outerbridge and R. G. Rendell, C.B.E., will be especially invited as guests of the evening, and Col. Rendell will address the boys on the past history of the Battalion. After tea a short concert will be given and a dance will be held in the gymnasium for any of those present who care to indulge. Tuesday, Nov. 11th is Armistice Night—the end of the Great War—and the date of the founding of the Church Lads' Brigade in London, England, and on account of these facts the Brigade Executive are anxious to have this year's celebration on a larger scale than in past years. On Thursday evening at 8 o'clock the Battalion Band will give a hand concert in aid of the brigade funds to which the public are invited. An admission fee of twenty cents will be charged on Thursday night. The Bugle Band, under Corporal Johnson, is in good strength. He has 14 buglers and twelve drummers and will give a good account of themselves next week. The additional name plates for the C.L.B. War Memorial have arrived from England and will be shortly placed in position by Bat-Sergt-Major Reid. Bay Roberts Co. is being re-organized under Rev. J. O. Britnell, Lieuts. J. W. Dawe, C. Butt, N. French and R. J. Mercer. These officers' commissions will shortly be here from headquarters. A new company will also be here likely be organized at New Harbor, by the Rev. Mr. Beacham, and we wish it every success. Lieut. Gover of J. Co. Wabana—a war veteran—visited the armoury last night and was heartily welcomed by the officers. Bell Island Company reports great progress and the Brigade authorities in recognition of Captain Lindsay's work have promoted him to the rank of Major, the first officer in any company outside of St. John's to reach this rank. Major Lindsay has done wonders for the lads of the Brigade at the Iron Isle and we congratulate him and wish him continued success.—Q.

**Battle Record of the New Zealand.**

WELLINGTON, New Zealand.—When the Germans in 1909 started Britain up a sudden expansion of their naval program, the New Zealand Government offered to add a capital ship to the British Navy as a gift from the Dominion. This ship, laid down in the 1910s and completed in 1917, was the
